## **MBA-1 BUTTSTOCK WITH 223/5.56 BUFFER ASSEMBLY FDE**

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The MBA-1 fixed Rifle Buttstock Assembly is a complete kit that includes everything you need to assemble an A2 rifle buffer system on your .223/5.56 AR lower. The kit includes an MBA-1 Buttstock that features adjustable Length-of-Pull, and adjustable Cheek Rise, in a lightweight, affordable rifle buttstock. Comes complete with A2 Buttstock extension tube, Standard Buffer, and a .223/5.56 Buffer Spring. The modular design of the MBA Buttstock allows you to configure your buttstock to your specific and personal needs. The MBA features multiple attachment points for a sling, including molded pockets that will accept Grovtec QD cups, sold separately. A rail attachment is available. Available in Black and Flat Dark Earth.

# Safety Instruction Guide for MBA1 Buttstock with 223/5.56 Buffer Assembly

## Introduction

Thank you for choosing the MBA1 Buttstock with 223/5.56 Buffer Assembly by LUTHAR. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that you are familiar with the operation of firearms and the specific requirements for your AR15 platform.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store the MBA1 Buttstock and any associated equipment in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the buttstock and buffer assembly for wear and damage before each use.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised when handling firearms.
- **Installation Precautions:**
  - Ensure that the firearm is unloaded before installation.
  - Use proper tools and follow installation instructions closely to avoid damaging the product or the firearm.
- **Usage Precautions:**
  - Always wear appropriate eye and ear protection when shooting.
  - Do not exceed the recommended ammunition specifications for your AR15.
  - Avoid using the buttstock if you notice any defects or irregularities.
- **Sling Attachment:** When using a sling, ensure all attachment points are secure and do not interfere with the operation of the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing buttstock if applicable, following the manufacturer's instructions.
- Attach the MBA1 Buttstock to the buffer tube, ensuring it is seated securely.
- Adjust the LengthofPull and Cheek Rise to your preference.
- Install the Standard Buffer and .223/5.56 Buffer Spring as per the manufacturer's specifications.
- Verify that all components are properly installed and functioning.

### 2. Usage:

- Adjust the buttstock to your desired settings before shooting.
- Always check the firearm's functionality before each use.
- Practice safe handling and shooting techniques at all times.
- After use, clean and maintain the buttstock and buffer assembly according to the manufacturer's

guidelines.

## Disposal Instructions

- Dispose of the MBA1 Buttstock and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options for plastic components where available.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the MBA1 Buttstock, please reach out to the appropriate EUbased contact point or your local distributor. They will provide assistance and information regarding safety and product performance.

## Conclusion

By following this safety instruction guide, you can ensure the safe and effective use of your MBA1 Buttstock with 223/5.56 Buffer Assembly. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety guidelines. Enjoy your shooting experience responsibly!
