

MBA-1 BUTTSTOCK WITH 308/7.62 BUFFER ASSEMBLY - LUTH-AR

MBA-1 BUTTSTOCK WITH 308/7.62 BUFFER ASSEMBLY BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The MBA-1 fixed Rifle Buttstock Assembly is a complete kit that includes everything you need to assemble an A2 rifle buffer system on your .308/7.62 AR lower. The kit includes an MBA-1 Buttstock that features adjustable Length-of-Pull, and adjustable Cheek Rise, in a lightweight, affordable rifle buttstock. Comes complete with A2 Buttstock extension tube, Standard Buffer, and a .308/7.62 Buffer Spring. The modular design of the MBA Buttstock allows you to configure your buttstock to your specific and personal needs. The MBA features multiple attachment points for a sling, including molded pockets that will accept Grovtec QD cups, sold separately. A rail attachment is available. Available in Black and Flat Dark Earth.

Safety Instruction Guide for MBA1 Buttstock with 308/7.62 Buffer Assembly

Introduction

Thank you for choosing the MBA1 Buttstock with 308/7.62 Buffer Assembly. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always handle firearms and related accessories with care and respect.
- Ensure that the product is installed correctly according to the instructions provided.
- Regularly inspect the buttstock and buffer assembly for any signs of damage or wear.
- Store the product in a secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Use the MBA1 Buttstock only with compatible .308/7.62 AR lower receivers.
- Ensure that the buttstock is securely attached before using the firearm.
- Avoid using the buttstock if it shows any signs of damage or malfunction.
- Do not modify the buttstock or buffer assembly in any way.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Instructions for Installation and Usage

1. Installation

- Begin by ensuring that the firearm is unloaded and pointed in a safe direction.
- Remove the existing buttstock from the AR lower receiver if applicable.
- Attach the MBA1 Buttstock to the receiver by sliding it onto the buffer tube.
- Secure the buttstock in place using the provided screws and tools.
- Install the Standard Buffer and .308/7.62 Buffer Spring according to the manufacturer's specifications.
- Adjust the LengthofPull and Cheek Rise to your preference.

2. Usage

- Before each use, check that the buttstock is securely attached and that all components are functioning properly.
- Adjust the LengthofPull and Cheek Rise as needed for comfort and control.
- When ready to shoot, ensure that you are in a safe position and that your firearm is pointed in a safe direction.
- After use, clean and inspect the buttstock and buffer assembly to maintain optimal performance.

Disposal Instructions

- Dispose of the product according to local regulations for electronic and plastic waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling components where possible.

Contact Information for Further Support

For any inquiries or safety concerns regarding the MBA1 Buttstock with 308/7.62 Buffer Assembly, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience with your MBA1 Buttstock. Thank you for your attention to safety and compliance.
