

MBA-1 BUTTSTOCK WITH 308/7.62 BUFFER ASSEMBLY - LUTH-AR

MBA-1 BUTTSTOCK WITH 308/7.62 BUFFER ASSEMBLY FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The MBA-1 fixed Rifle Buttstock Assembly is a complete kit that includes everything you need to assemble an A2 rifle buffer system on your .308/7.62 AR lower. The kit includes an MBA-1 Buttstock that features adjustable Length-of-Pull, and adjustable Cheek Rise, in a lightweight, affordable rifle buttstock. Comes complete with A2 Buttstock extension tube, Standard Buffer, and a .308/7.62 Buffer Spring. The modular design of the MBA Buttstock allows you to configure your buttstock to your specific and personal needs. The MBA features multiple attachment points for a sling, including molded pockets that will accept Grovtec QD cups, sold separately. A rail attachment is available. Available in Black and Flat Dark Earth.

Safety Instruction Guide for MBA1 Buttstock with 308/7.62 Buffer Assembly

Introduction

Thank you for choosing the MBA1 Buttstock with 308/7.62 Buffer Assembly. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU safety regulations. Please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Ensure that all components are in good condition and free from defects before use.
- Always follow the manufacturer's instructions for installation and usage.
- Store the product in a safe place, away from children and unauthorized users.
- Regularly inspect the product for wear and tear, and replace any damaged components immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Keep informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the MBA1 Buttstock with compatible .308/7.62 AR lower receivers.
- Ensure that the buttstock is securely attached to the extension tube before use.
- Avoid using the buttstock in wet or slippery conditions to prevent loss of control.
- Do not exceed the manufacturer's recommended weight limits for attachments.
- Always handle firearms with care and ensure they are pointed in a safe direction.
- Use protective gear, such as eye and ear protection, when firing a firearm.

Instructions for Installation and Usage

1. Installation

- Remove any existing buttstock from your AR lower receiver.
- Attach the MBA1 Buttstock to the A2 Buttstock extension tube by aligning the mounting points.
- Secure the buttstock using the provided screws and ensure that it is tightened properly.
- Install the Standard Buffer and .308/7.62 Buffer Spring according to the manufacturer's instructions.
- Adjust the LengthofPull and Cheek Rise to fit your personal preferences.

2. Usage

- Before each use, check that the buttstock is securely attached and that all components are functioning properly.
- Familiarize yourself with the adjustments for LengthofPull and Cheek Rise to ensure optimal comfort and control.
- Always ensure that the firearm is unloaded before making any adjustments to the buttstock.
- When using the sling attachment points, ensure that the sling is properly secured to prevent accidental release.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and metal waste.
- Do not incinerate or dispose of the product in a manner that could cause environmental harm.
- If the product is damaged beyond repair, contact your local waste management authority for guidance on

safe disposal.

Contact Information for Further Support

For any questions or concerns regarding the MBA1 Buttstock with 308/7.62 Buffer Assembly, please consult the product packaging or visit the manufacturer's website for further assistance and support.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the MBA1 Buttstock!
