

S&W M&P 2.0 9MM LUGER BARRELS - ED BROWN S&W M&P 2.0 9MM LUGER 4.25" THREAED BARREL BLACK NITRIDE

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

A 416 stainless, button-rifled match barrel, with 1-10 twist and recessed crown. Customized with Ed Brown Tread Flutes, available in Black Nitride, or the "Spectrum" multi-colored finish. Ed Brown's match barrel with traditional rifling will digest jacketed and lead bullets alike, with exceptional accuracy and reliability. The Spectrum finish is a decorative coating and wear is to be expected in contact areas.

S&W M&P 2.0 9MM LUGER BARRELS ED BROWN Safety Instruction Guide

Introduction

Thank you for purchasing the S&W M&P 2.0 9MM Luger Barrels by Ed Brown. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new product. Please read this document carefully before using the barrel.

General Safety Guidelines

- Ensure you are familiar with the laws and regulations regarding firearms in your area.
- Always handle firearms with care and follow basic firearm safety rules.
- Store the barrel in a secure location, away from children and unauthorized users.
- Inspect the barrel before each use to ensure it is free of obstructions and damage.
- Use appropriate protective gear, such as eye and ear protection, when using firearms equipped with this barrel.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper handling may lead to accidental discharge.
 - Using incompatible ammunition can result in malfunctions or damage.
 - Failure to maintain the barrel can lead to decreased performance or safety risks.
- **To Avoid Hazards:**
 - Always keep the firearm pointed in a safe direction.
 - Verify that the firearm is unloaded before installing or handling the barrel.
 - Use only 9 mm Luger ammunition that meets industry standards.
 - Regularly clean and maintain the barrel according to the manufacturer's instructions.
 - If you notice any unusual signs such as excessive wear or damage, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is completely unloaded.
 2. Follow the manufacturer's instructions for disassembling your firearm.
 3. Carefully remove the existing barrel, taking care not to damage any components.
 4. Insert the Ed Brown barrel into the firearm, ensuring it is properly aligned.
 5. Securely fasten the barrel according to the manufacturer's specifications.
 6. Reassemble the firearm and check for proper function before use.
- **Usage:**
 - Always ensure the firearm is pointed in a safe direction when loading or unloading.
 - Follow all range rules and guidelines when shooting.
 - Monitor the barrel for signs of overheating or excessive wear during use.

- Clean the barrel after each use to maintain performance and safety.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the barrel becomes damaged beyond repair, consult local regulations for proper disposal procedures.
- Do not dispose of the barrel in regular household waste. Follow local guidelines for hazardous materials if applicable.

Contact Information for Further Support

For any inquiries regarding safety, maintenance, or product information, please contact the manufacturer directly through their official channels.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and usage of your S&W M&P 2.0 9MM Luger Barrels by Ed Brown.
