

# S&W M&P 2.0 9MM LUGER BARRELS - ED BROWN S&W M&P 2.0 9MM LUGER 4.25" THREAED BARREL TIN GOLD

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

A 416 stainless, button-rifled match barrel, with 1-10 twist and recessed crown. Customized with Ed Brown Tread Flutes, available in Black Nitride, or the "Spectrum" multi-colored finish. Ed Brown's match barrel with traditional rifling will digest jacketed and lead bullets alike, with exceptional accuracy and reliability. The Spectrum finish is a decorative coating and wear is to be expected in contact areas.

## Safety Instruction Guide

### Introduction

Thank you for choosing the S&W M&P 2.0 9MM Luger Barrels by Ed Brown. This safety instruction guide provides essential information to ensure your safe and effective use of the product. Please read this guide carefully before use.

### General Safety Guidelines

To ensure the safe use of your S&W M&P 2.0 9MM Luger Barrels, please follow these guidelines:

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition separately and securely.
- Ensure that you are familiar with local laws and regulations regarding firearm ownership and usage.
- Use only the recommended ammunition specified for your firearm.
- Regularly inspect your firearm and barrel for any signs of wear or damage.
- Never attempt to modify the barrel or any part of the firearm without professional assistance.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

### Specific Safety Precautions for Use

When using the S&W M&P 2.0 9MM Luger Barrels, please observe the following precautions:

- Ensure that the firearm is unloaded before installing or removing the barrel.
- Use appropriate eye and ear protection when using the firearm.
- Be cautious of the barrel's heat after firing; it may become extremely hot.
- Avoid using lead bullets if you are not familiar with the proper cleaning and maintenance procedures.
- Be mindful of the Spectrum finish; wear and tear is expected in contact areas, which may affect appearance but not performance.

### Instructions for Installation and Usage

To ensure correct installation and usage of your S&W M&P 2.0 9MM Luger Barrels, follow these steps:

#### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel according to the manufacturer's instructions.
- Align the new barrel with the firearm's chamber and ensure it fits securely.
- Tighten any necessary screws or components as specified in the firearm's manual.
- Conduct a visual inspection to ensure proper installation.

#### 2. Usage:

- Load the firearm with the appropriate 9 mm Luger ammunition.
- Maintain a firm grip on the firearm and ensure your finger is off the trigger until ready to shoot.
- Fire in a controlled manner, observing all safety guidelines.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance.

## **Disposal Instructions**

When disposing of your S&W M&P 2.0 9MM Luger Barrels, please follow these guidelines:

- Ensure that the barrel is completely unloaded and free of ammunition.
- Follow local regulations for the disposal of firearms and firearm components.
- Consider recycling options for metal components, if applicable.
- Never dispose of firearms or firearm parts in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding your S&W M&P 2.0 9MM Luger Barrels, please refer to the manufacturer's website or customer service resources. It is essential to have access to support for any questions or concerns you may have.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure the safe and effective use of your S&W M&P 2.0 9MM Luger Barrels. Always stay informed and vigilant regarding firearm safety. Thank you for your attention and responsible ownership.
