

DUSK 19 9MM LUGER NON-THREADED BARREL SEMI-AUTO HANDGUN - DUSK 19 9MM LUGER 3.9" BBL (1)15RD MAG GRAPHITE/GRAY

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

Lone Wolf Arms, a company known as a leader of innovation in the Glock aftermarket, is proud to announce the DUSK19 pistol line. With more than two decades of experience providing aftermarket solutions to enhance both the performance and aesthetics of the Glock-pattern pistol, Lone Wolf Arms has implemented these years of development into the DUSK19. The upper includes a DUSK19 profile slide made of 17-4SS and finished in either an attractive black nitride or a selection of great PVD options such as flat dark earth, oil rubbed bronze, or graphite gray. Front and rear serrations on the slide provide ease of chambering and press-check. The slide is reflex sight-ready with the DUSK19 optic cover plate included, which is compatible with both Trijicon RMR/SRO and Holosun 407/507/508 (Non-K Models) footprints. Additionally, this slide includes a ? co-witness Night Fision Stealth Series sight with a Tritium insert for clear sight vision from DUSK to dawn. The upper also includes a 416 stainless-steel PVD coated barrel with the DUSK 19 profile and is available in either threaded or non-threaded. The hood pocket and lateral ribs reduce bearing surface for faster cycling and coating wear resistance. The CCS frame features a 19° grip angle for improved point ability and interchangeable flat & rounded backstraps to allow the shooter the most comfortable choice of grip. The integrated take-down frame scallops for ease of function as well as integrated grip panels with a textured grip for an ergonomic, stable grip. The grip includes an integrated, flared magwell with a grip textured toe kick and an enlarged trigger guard to prevent "Glock knuckle". The trigger is a new flat enhanced system with improved geometry for trigger take-up and decreased energy to actuate. The trigger also offers a 30% reduction in Peak Force from the OEM trigger for smooth and efficient shooting. Additionally, the DUSK19 is light, weighing in at 19.8 oz without a magazine, and is the perfect EDC size at an overall length of 6.95". The DUSK19 Handgun combines the shootability and convenience you look for in a Glock-pattern pistol with the premium, trusted Lone Wolf Arms parts you know and love, engineering a truly unique handgun that is comfortable to shoot and built to last. Key Features: Reflex Sight Ready with DUSK optic cover plate included Interchangeable flat & rounded backstraps for comfortable, customized grip and integrated grip panels with form-fitting texture Stainless steel PVD coated barrel with DUSK profile New enhanced flat trigger system and ergonomic guard profile to reduce "Glock knuckle" Front & rear serrations for ease of chambering and press check Specs: OAL: 6.95" Non-Threaded Barrel Length (breach - muzzle): 3.90" Height (without sights): 4.61" Non-Threaded Barrel Height (with sights): 4.94" Upper Width: 1.00" Lower Width: 1.14" Magwell Width: 1.23" Weight (without magazine): 19.8/oz. Chamber: 9x19

Safety Instruction Guide for DUSK 19 9MM LUGER NONTHREADED BARREL SEMIAUTO HANDGUN

Introduction

Thank you for choosing the DUSK 19 9MM Luger SemiAuto Handgun. This guide provides essential safety information to ensure the safe and proper use of your handgun. It is crucial to follow all safety guidelines and precautions outlined in this document to minimize risks and ensure a safe shooting experience.

General Safety Guidelines

- Always treat the handgun as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the handgun in a secure location, out of reach of children and unauthorized users.
- Use only the recommended ammunition for your handgun.
- Regularly inspect your handgun for any signs of wear or damage before use.
- Always wear appropriate eye and ear protection when shooting.
- Do not consume alcohol or drugs before or while handling the handgun.

Specific Safety Precautions for Use

- Ensure that the handgun is in good working condition before each use.
- Do not attempt to modify or alter the handgun in any way.
- Be cautious of environmental conditions that may affect shooting, such as wind or rain.
- Avoid using the handgun in crowded areas or where there is a risk of injury to others.
- If you experience any malfunctions, cease firing immediately and follow appropriate procedures for clearing jams or issues.
- Do not shoot at hard surfaces or water, as bullets may ricochet.
- Always be aware of local laws and regulations regarding handgun use and ownership.

Instructions for Installation and Usage

Installation

- Ensure the handgun is unloaded before beginning any installation.
- Follow the manufacturer's instructions for any accessories or modifications.
- Install any sights or optics according to the specific mounting instructions provided.
- Verify that all components are securely attached before use.

Usage

- Load the magazine with the appropriate ammunition.
- Insert the magazine into the handgun until it clicks into place.
- Pull the slide back to chamber a round.
- Ensure the safety is off before attempting to fire.
- Aim at your target and gently squeeze the trigger to fire.
- After firing, be sure to keep the muzzle pointed in a safe direction until you are finished shooting.

Disposal Instructions

- Dispose of the handgun in accordance with local laws and regulations.

- If you need to dispose of ammunition, follow the guidelines provided by local authorities for hazardous materials.
- Never throw the handgun in regular trash or leave it unattended in public areas.

Contact Information for Further Support

For any inquiries or concerns regarding the DUSK 19 9MM Luger SemiAuto Handgun, please refer to the manufacturer's website or contact their customer support service for assistance.

This safety instruction guide complies with the EU General Product Safety Regulation (GPSR) and is designed to provide you with essential information for the safe use of your DUSK 19 handgun. Always prioritize safety and responsible handling practices.
