

ROUGH RIDER TACTICAL RANCHER 22 LONG RIFLE REVOLVER - ROUGH RIDER TACTICAL CARBINE 22 LR 16" BBL 6RD BLACK BEECH

[Firearms](#) > [Rifles](#) > [Single Shot](#)

Everything is better when it's threaded and has a rail on it. Following on the success of the Heritage Tactical Cowboy, we've applied that same treatment to the Heritage Rancher Carbine. The 16 inch Rancher, which accepts 22 Magnum and 22 LR cylinders now has additional capability in the form of a top mounted picatinny rail for optics. Like its handgun counterpart, the Tactical Rancher is also threaded for muzzle attachments.

Attributes

- Name: [ROUGH RIDER TACTICAL CARBINE 22 LR 16" BBL 6RD BLACK BEECH](#)

Safety Instruction Guide for ROUGH RIDER TACTICAL RANCHER 22 LONG RIFLE REVOLVER AND ROUGH RIDER TACTICAL CARBINE 22 LR

Introduction

Thank you for choosing the ROUGH RIDER TACTICAL RANCHER 22 LONG RIFLE REVOLVER and ROUGH RIDER TACTICAL CARBINE 22 LR. This guide provides essential safety instructions to ensure the safe use and handling of your firearm. Please read this document carefully before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Use appropriate hearing and eye protection when shooting.
- Store firearms securely and out of reach of children.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before performing any maintenance or cleaning.
- Use only the specified ammunition (22 Long Rifle and 22 Magnum) for your firearm.
- Do not attempt to modify or alter the firearm in any way.
- Always use the firearm in a safe and designated shooting area.
- Be cautious of any obstructions in the barrel before shooting.
- Always ensure that the safety mechanism is engaged when not in use.

Instructions for Installation and Usage

1. Installation of Accessories:

- Ensure the firearm is unloaded before attaching any accessories.
- For optics, securely mount them onto the top picatinny rail provided, ensuring they are properly aligned.
- Tighten all screws and mounts according to the manufacturer's specifications.

2. Loading the Firearm:

- Open the cylinder and insert the appropriate ammunition into the chambers.
- Close the cylinder securely before proceeding to shoot.

3. Shooting:

- Stand in a stable shooting position with your feet shoulderwidth apart.
- Grip the firearm firmly with both hands.
- Align your sights with your target while ensuring a clear line of sight.
- Take a deep breath, and when ready, squeeze the trigger gently.

4. PostShooting:

- After shooting, unload the firearm immediately and ensure it is clear of any ammunition.
- Clean the firearm according to the manufacturer's cleaning instructions.

Disposal Instructions

- Dispose of any spent ammunition and packaging materials in accordance with local regulations.
- If you need to dispose of the firearm itself, consult local authorities for proper disposal methods to ensure safety and compliance with laws.

Contact Information for Further Support

For any inquiries regarding the safety or operation of your ROUGH RIDER TACTICAL RANCHER or ROUGH RIDER TACTICAL CARBINE, please refer to the manufacturer's website or contact their customer service directly.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ROUGH RIDER TACTICAL RANCHER 22 LONG RIFLE REVOLVER and ROUGH RIDER TACTICAL CARBINE 22 LR. Always prioritize safety and responsibility when handling firearms. Thank you for your attention and safe shooting!
