

# RIFLED CHOKE FOR REMINGTON CHOKE TUBES - RIFLED CHOKE 12 GA FOR REMINGTON BLACK

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

These precision Rifled Choke Tubes are manufactured from 304 high stress stainless steel. Each choke tube protrudes .625 to 1.3 inches from the end of the barrel depending upon which type of firearm the choke tube has been specifically designed for. Each choke tube has a right hand rifle twist, which is 1 to 35. Each choke tube has a groove diameter of .730 of an inch in 12 ga. These choke tubes have a matte black finish and carry a lifetime warranty. If you're looking for improved accuracy from a smooth bore barrel these fine choke tubes will improve your groups.

## RIFLED CHOKE 12 GA FOR REMINGTON BLACK

### Safety Instruction Guide

#### Introduction

Thank you for choosing the Rifled Choke for Remington Choke Tubes. This product is designed to enhance the accuracy of your smooth bore barrel. Please read this safety instruction guide carefully to ensure safe and effective use of the choke tube.

#### General Safety Guidelines

- Always handle firearms and accessories with care. Follow all local laws and regulations regarding firearm use.
- Ensure that the choke tube is compatible with your firearm before installation.
- Inspect the choke tube for any signs of damage before each use.
- Keep the choke tube out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls or safety updates through the EU's Safety Gate platform.

#### Specific Safety Precautions for Use

- Use only with 12 gauge firearms as specified.
- Do not attempt to modify or alter the choke tube in any way.
- Ensure that the choke tube is properly installed before firing the firearm.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Avoid using the choke tube with ammunition that exceeds the manufacturer's specifications.
- If you experience any malfunctions while using the choke tube, cease use immediately and consult a qualified gunsmith.

#### Instructions for Installation and Usage

##### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing choke tube from the firearm using a choke wrench.
- Clean the threads of the choke tube and the barrel to ensure a proper fit.
- Carefully screw the Rifled Choke into the barrel until it is handtight.
- Use a choke wrench to secure the choke tube further, ensuring it is snug but not overtightened.

##### 2. Usage:

- Load the firearm with appropriate ammunition.
- Aim and fire the firearm in a safe direction.
- After use, clean the choke tube to maintain its performance and longevity.

#### Disposal Instructions

- Dispose of the choke tube according to local regulations for metal products.
- Do not dispose of in regular household waste.
- Check with local waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Rifled Choke, please refer to the manufacturer's website or customer service for assistance. Always ensure you have the latest information regarding product recalls or safety notices.

Thank you for your attention to these safety instructions. Your safety is our priority.
