REMINGTON PORTED LONG BEARD TURKEY CHOKE TUBES Carlson's Long Beard Turkey Choke! This choke tube has been specially designed to produce the best patterns when shooting Winchester's New Long Beard Turkey loads. This new ammunition features Shot-Lok Technology that allows for the tightest patterns and longer downrange reach over any lead turkey load on the market. Pair this ammunition's capabilities with the new Carlson's Long Beard Turkey Choke and you have a devastating, gobbler-killing combination. This tom-dropping dynamic duo serves-up 10% greater penetration over standard lead shot at distances of more than 50 yards, terminal on-target performance and allows nearly perfectly round shot to be thrown from the barrel for extremely tight, long-range patterns. When you head to the turkey woods, give yourself better reach and down-range performance by using Carlson's Long Beard Turkey Choke with your Winchester Long Beard Shotgun Loads. It's a killer combination that's sure to drop that big old gobbler when the music stops. \*No Steel Shot Larger than #4 may be used in our Turkey Choke Tubes Carlson's Choke Tubes are backed by a LIFETIME WARRANTY and MADE IN THE USA!

# Safety Instruction Guide for Carlson's Ported Long Beard Turkey Choke Tube

## Introduction

Thank you for choosing Carlson's Ported Long Beard Turkey Choke Tube for your Remington shotgun. This product is designed to enhance your shooting experience with superior performance when using Winchester's New Long Beard Turkey loads. To ensure your safety and the best use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you are familiar with the operation of your shotgun before using this choke tube.
- Use only the recommended ammunition for this choke tube: Winchester's New Long Beard Turkey loads.
- Do not use steel shot larger than #4 in this turkey choke tube.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Store your choke tube and shotgun securely to prevent unauthorized access, especially from children.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Ensure the choke tube is properly installed before shooting.
- Check that the choke tube is clean and free from obstructions before each use.
- Avoid using the choke tube in wet or muddy conditions, which can affect performance.
- Do not attempt to modify or alter the choke tube in any way.
- If you experience any unusual performance or damage to the choke tube, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Use a choke tube wrench to remove the existing choke tube from your shotgun.
- Inspect the threads of the shotgun barrel and the choke tube for any debris or damage.
- Carefully thread the Carlson's Ported Long Beard Turkey Choke Tube into the barrel by hand, ensuring it is aligned correctly.
- Use the choke tube wrench to tighten the choke tube securely, but do not overtighten.

### 2. Usage:

- Load your shotgun with Winchester's New Long Beard Turkey loads only.
- Ensure you are in a safe shooting position and have a clear line of sight to your target.
- Follow all local laws and regulations regarding turkey hunting and shooting.
- After shooting, inspect the choke tube for any signs of wear or damage.

## Disposal Instructions

- Dispose of the choke tube responsibly. If the product is damaged or no longer usable, do not throw it in regular trash.
- Check local regulations for proper disposal methods of firearm accessories.
- Consider recycling the metal components if applicable.
