

SMX6 MUZZLE EXTENSION FOR STRIBOG SP9 - KINETIC DEVELOPMENT GROUP LLC SMX6 MUZZLE EXTENSION 6" FOR STRIBOG SP9 BLACK

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrel Hardware](#) > [Barrel Extension Parts](#)

The Stribog Muzzle Extension was designed to be used in conjunction with the KDG SRX models; Stribog Receiver Extensions. These muzzle extensions thread onto the Stribog barrel, extending the end of the muzzle an extra 3 to 6 inches. This device is important for directing the blast of the muzzle forward of the Stribog Receiver Extension, protecting the users' arms and hands during weapon firing and manipulations. Both the SMX3 and SMX6 thread onto the end of the muzzle using standard 1/2×28 threads and are constructed from a mild C1018 steel so that it can easily be welded, if required, to keep in compliance with local and federal firearms laws and regulations (BOO!). Bolstering a knurled forend for a slip free grip to aid in installation and removal, confirming securement and for a pleasingly aesthetic appearance.

*** Is a stand-alone muzzle device not to be used, or modified to be used, with another such muzzle device *** The Stribog Muzzle Extension 6 inch (SMX6) can be used with both Stribog Receiver Extensions 3 and 6 inch models (SRX3 & SRX6)

Safety Instruction Guide for SMX6 Muzzle Extension for Stribog SP9

Introduction

Thank you for choosing the SMX6 Muzzle Extension for your Stribog SP9. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. It is important to follow these instructions carefully to avoid potential hazards and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the SMX6 Muzzle Extension is compatible with your firearm before use.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the muzzle extension for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the firearm is unloaded before installing or removing the muzzle extension.
- **Blast Direction:** The muzzle extension is designed to direct the blast forward. Avoid standing directly in front of the muzzle when firing.
- **Protective Gear:** Always wear appropriate protective gear, such as eye and ear protection, when firing your firearm.
- **Modification Warning:** The SMX6 is a standalone muzzle device and should not be used or modified in conjunction with other muzzle devices.
- **Compliance:** Ensure compliance with local and federal firearms laws and regulations regarding the use of muzzle devices.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

2. Installation:

- Thread the SMX6 Muzzle Extension onto the end of the Stribog barrel using standard 1/2×28 threads.
- Handtighten the muzzle extension until secure. Do not overtighten to avoid damage.
- If necessary, use a suitable welding method to ensure compliance with local laws.

3. Usage:

- Confirm that the muzzle extension is securely attached before firing.
- Fire your firearm in a safe environment, following all standard firearm safety practices.
- After use, inspect the muzzle extension for any damage or wear.

4. Removal:

- To remove the muzzle extension, ensure the firearm is unloaded.
- Unscrew the SMX6 Muzzle Extension by turning it counterclockwise.
- Store the muzzle extension in a safe location when not in use.

Disposal Instructions

- Dispose of the SMX6 Muzzle Extension in accordance with local regulations regarding metal waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further information about the SMX6 Muzzle Extension, please reach out to the manufacturer or authorized dealer. Ensure you have the product details available for reference.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your SMX6 Muzzle Extension for the Stribog SP9. Thank you for your attention to safety and compliance.
