

JUSTICE II RMR 1X30MM REFLEX SIGHT - SWAMPFOX OPTICS

JUSTICE II RMR 1X30MM 6 MOA GREEN DOT REFLEX SIGHT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

Optimized for competition versatility, Justice II features a 30mm window and modern body design to complement its universal RMR footprint. Choose between a red or green 6 MOA dot or new multi-reticle variant with four easy-to-switch reticle options. Justice II offers 10 illumination settings for clear visibility in any light condition and utilizes Swampfox Shake 'N Wake auto on/off functionality to conserve battery life for stage readiness. Crafted from 7075-T6 aluminum, the optic body and hood have been enhanced to safeguard the upgraded internals and larger, recessed window. From USPSA to 3-Gun, Justice II is a quick and adaptable optic solution for any competition and platform. Safety Instruction Guide for JUSTICE II RMR 1X30MM Reflex Sight

Introduction

Thank you for choosing the JUSTICE II RMR 1X30MM Reflex Sight by Swampfox Optics. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your reflex sight. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that this product is used in accordance with the safety guidelines provided. This product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, you will be notified through standardized notices, and remedies will be provided free of charge.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the relevant EU-based contact information provided by your retailer.
- **Rapid Alerts:** Monitor updates on unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly into the sight when it is powered on. Excessive exposure to bright light can damage your eyesight.
- **Check for Damage:** Before each use, inspect the reflex sight for any signs of damage. Do not use if any components are cracked or broken.
- **Battery Safety:** Use only the specified CR1632 3V battery. Improper battery usage may lead to leaks or explosions.
- **Weather Conditions:** While the sight is waterproof (IPX 7 rated), avoid using it in extreme weather conditions that could compromise its functionality.
- **Mounting Security:** Ensure that the sight is securely mounted to your firearm. A loose mount can affect accuracy and safety.
- **Proper Handling:** Handle the sight with care to avoid dropping or impacting it, which could lead to misalignment or damage.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Align the sight with the RMR footprint on your firearm.
- Securely attach the sight using the provided mounting hardware.
- Doublecheck that the sight is firmly attached and does not move.

2. Powering On/Off:

- To turn on, press the power button located on the sight.
- Adjust the brightness settings using the digital button. There are 10 illumination settings available.
- The sight features Shake 'N Wake functionality, which will automatically turn off after a period of inactivity to conserve battery life.

3. Zeroing the Sight:

- Follow your firearm's specific zeroing process to align the sight with the point of impact.
- Make adjustments to elevation and windage as needed. The maximum adjustment is 90 MOA.

4. Using the Reticle:

- Choose your desired reticle option (6 MOA Green, 6 MOA Red, or MultiReticle) based on your preference and lighting conditions.
- Practice aiming with the sight to familiarize yourself with its operation.

5. Cleaning and Maintenance:

- Use a soft, clean cloth to wipe the lens. Avoid using harsh chemicals or abrasive materials.
- Regularly check the sight for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Remove the battery before disposal and recycle it at a designated battery recycling facility.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any further inquiries or support regarding the JUSTICE II RMR 1X30MM Reflex Sight, please reach out to your retailer or consult the manufacturer's website for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your JUSTICE II RMR Reflex Sight.
