## JUSTICE II RMR 1X30MM MULTI-RETICLE REFLEX SIGHT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

Optimized for competition versatility, Justice II features a 30mm window and modern body design to complement its universal RMR footprint. Choose between a red or green 6 MOA dot or new multi-reticle variant with four easy-to-switch reticle options. Justice II offers 10 illumination settings for clear visibility in any light condition and utilizes Swampfox Shake 'N Wake auto on/off functionality to conserve battery life for stage readiness. Crafted from 7075-T6 aluminum, the optic body and hood have been enhanced to safeguard the upgraded internals and larger, recessed window. From USPSA to 3-Gun, Justice II is a quick and adaptable optic solution for any competition and platform. # Safety Instruction Guide for JUSTICE II RMR 1X30MM Reflex Sight

## Introduction

Thank you for choosing the JUSTICE II RMR 1X30MM Reflex Sight from Swampfox Optics. This guide provides essential safety information and instructions to ensure the safe and effective use of your reflex sight. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a reflex sight for firearms.
- Always follow local laws and regulations regarding the use of firearms and optical sights.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the reflex sight for any signs of damage or wear. Do not use if damaged.
- Store the reflex sight in a dry, cool place when not in use to prevent moisture damage.
- Be aware of your surroundings when using the sight, especially in competitive environments.

## Specific Safety Precautions for Use

- Do not look directly at the sun through the sight, as it may cause permanent eye damage.
- Ensure that the sight is securely mounted on your firearm before use.
- Use appropriate eye protection while using firearms equipped with the reflex sight.
- Avoid using the sight in conditions that may impair your vision, such as fog, heavy rain, or darkness without proper illumination.
- Adjust the brightness settings according to the lighting conditions to ensure optimal visibility.
- Keep the lens clean and free from obstructions to maintain clear sighting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installing the reflex sight.
- Mount the sight on the firearm using the provided mounting hardware.
- Tighten all screws securely but avoid overtightening to prevent damage to the sight or firearm.
- Confirm that the sight is properly aligned with the firearm's barrel.

### 2. Usage:

- Turn on the sight by pressing the power button. Adjust the brightness settings using the digital button.
- Select your desired reticle option (6 MOA Red, 6 MOA Green, or MultiReticle) by following the manufacturer's instructions.
- Aim the firearm at the target while keeping both eyes open for enhanced situational awareness.
- Use the elevation and windage adjustments to zero the sight according to your shooting needs.
- After use, turn off the sight to conserve battery life.

## Disposal Instructions

- Dispose of the reflex sight and its components in accordance with local regulations for electronic waste.
- Remove the battery before disposal. Dispose of the battery at a designated battery recycling location.
- Do not throw the sight or its components in general waste.

## **Contact Information for Further Support**

For any questions or concerns regarding safety or product functionality, please refer to the manufacturer's contact information provided in the product packaging.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your JUSTICE II RMR 1X30MM Reflex Sight. Always prioritize safety and responsible use.
