

RAIDER 1X MICRO PRISM SIGHT - SWAMPFOX OPTICS RAIDER 1X RED 6 MOA RETICLE MICRO PRISM SIGHT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Red Dot Sights](#)

Introducing the Swampfox Raider, a versatile 1x20 micro prism with an expansive eye relief for fast and clear sight acquisition. Using the Bullet Rise Compensating reticle from our Blade prism, Raider has CQB at its heart. Featuring a T-2 footprint for incredible versatility between mounting platforms. This micro prism sets itself apart with a die-cast zinc alloy body presenting a truly tough housing capable of taking hits without loss of function. Available with red and green illumination, Raider's etched reticle appears black when the illumination is off. Shake N' Wake motion-sensing auto on/off saves battery life and is perfect for home defense. If you have an issue running a standard red dot, Raider is for you.?

Safety Instruction Guide for RAIDER 1X MICRO PRISM SIGHT

Introduction

Thank you for choosing the Swampfox Raider 1X Micro Prism Sight. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure safe use of the Raider Micro Prism Sight by following these guidelines:
 - Always handle the product with care to avoid damage.
 - Keep the sight out of reach of children and vulnerable individuals.
 - Use the sight only for its intended purpose as described in this manual.
 - Regularly check the sight for any signs of damage or malfunction.
 - If you notice any irregularities, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- When using the Raider Micro Prism Sight, please observe the following safety precautions:
 - Always ensure that the sight is securely mounted before use.
 - Do not expose the sight to extreme temperatures or harsh environmental conditions.
 - Avoid looking directly at the sun through the sight, as this may cause eye damage.
 - Be cautious of recoil when using firearms equipped with the sight.
 - Ensure that the illumination settings are appropriate for the environment to prevent eye strain.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the Raider Micro Prism Sight:

1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Select a suitable mounting platform that is compatible with the T2 footprint.
- Align the sight on the mounting platform and secure it using the provided mounting hardware.
- Confirm that the sight is tightly secured and does not move.

2. Usage:

- Adjust the brightness settings based on the lighting conditions. The sight features 10 illumination positions.
- Utilize the shake N' wake feature to conserve battery life; the sight will turn off automatically when not in use.
- Adjust the reticle for windage and elevation as needed using the adjustment click value of 0.5 MOA.
- Ensure proper eye relief (3.5"-4.5") for optimal visibility and comfort.

Disposal Instructions

- Proper disposal of the Raider Micro Prism Sight is important for environmental safety:
 - Do not dispose of the sight in regular household waste.
 - Check local regulations for the disposal of electronic devices and batteries.
 - Recycle the sight and its components at designated electronic waste recycling facilities.

Contact Information for Further Support

- For any inquiries or support regarding the Raider Micro Prism Sight, please refer to the contact information provided by the retailer where the product was purchased.

Conclusion

By following the safety guidelines and instructions outlined in this manual, you can ensure a safe and enjoyable experience with your Swampfox Raider 1X Micro Prism Sight. Always prioritize safety and responsible use. Thank you for your attention to these important safety measures.
