

ACCU-PUNCH STANDARD BRASS AND STEEL PIN PUNCH SET - REAL AVID ACCU-PUNCH STANDARD BRASS & STEEL PIN PUNCH SET

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

Gunsmithing punches are core tools needed to modify or disassemble firearms. The Accu-Punch 11-Piece Standard Brass & Steel Pin Punch Set is designed from the ground up to work better with firearms. The punches are made of brass and hardened steel with a nickel plating to resist corrosion. The hex-shaped handle and rubber O-rings provide precise control during use.

ACCUPUNCH STANDARD BRASS AND STEEL PIN PUNCH SET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ACCUPUNCH Standard Brass and Steel Pin Punch Set by Real Avid. This set is designed to assist in gunsmithing tasks that involve modifying or disassembling firearms. It is essential to use these tools safely to ensure your wellbeing and that of others. Please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Always use the ACCUPUNCH set in accordance with the manufacturer's instructions.
- Ensure that you are in a safe environment free from distractions when using the punches.
- Keep the workplace clean and organized to avoid accidents.
- Store the punches in a safe location, out of reach of children and unauthorized users.
- Inspect the punches before each use for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the punches only for their intended purpose: modifying or disassembling firearms.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the punches.
- Avoid using excessive force when striking the punches to prevent injury.
- Do not use the punches if you are tired or under the influence of drugs or alcohol.
- Be aware of your surroundings and ensure that no one is in the immediate area when using the punches.
- Keep fingers and hands clear of the striking area to prevent injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the workspace is clean and welllit.
- Gather all necessary tools and materials before starting.

2. Using the Punches:

- Select the appropriate size punch for your task.
- Hold the punch firmly by its hexshaped handle.
- Position the punch on the pin or component you wish to work on.
- Use a hammer to gently strike the end of the punch. Avoid using excessive force.
- After use, clean the punches to remove any debris or residue.

3. Storage:

- Store the punches in their designated case or holder.
- Keep the set in a dry place to prevent corrosion.

Disposal Instructions

- Dispose of any damaged or worn punches in accordance with local regulations.
- Do not throw away the punches in regular household waste if they are hazardous or contain harmful materials.
- Consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safer experience while using the ACCUPUNCH Standard Brass and Steel Pin Punch Set. Thank you for your attention to these important guidelines.
