It's 30-30 Time with the Rossi R95 Tactical As lever action rifles surge in popularity across the country, Rossi employees kept getting asked one question at every trade show they were at: "when are you bringing a 30-30 to market?" The answer is now with the all new R95, which features a hammer forged barrel, a smooth hand finished lever action, large loading gate, and is drilled and tapped for optics. That's on top of the walnut finish, 5+1 capacity, and the fact that it's compatible with rails and handguards that work with another major manufacturer's lever action. There's nothing better than a slick lever action. The feeling of levering a round in the chamber, hearing the mechanical parts working together in concert, the satisfying feeling of the bolt closing – it's kinetic, it's aesthetic, and it's everything you want. Rossi has been feeding those feelings with its pistol caliber rifles for years, and now it's giving a 30-30, perfect for North American game. Grab an R95 today and get into the centerfire rifle game with Rossi. R95 Tactical 3030 Winchester Lever Action Rifle

Safety Instructions

Introduction

Thank you for choosing the R95 Tactical 3030 Winchester Lever Action Rifle. This guide provides essential safety instructions to ensure the safe use of your firearm. Please read and understand these instructions carefully before using the rifle. Adhering to these guidelines will help prevent accidents and ensure a safe shooting experience.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Ensure the firearm is unloaded when not in use.
- Store firearms and ammunition separately and securely.
- Use appropriate eye and ear protection when shooting.
- Be aware of your target and what lies beyond it.
- Do not consume alcohol or drugs before or while handling firearms.
- Always follow local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- Ensure that the rifle is properly maintained and inspected before use.
- Only use ammunition that is specified for this rifle (3030 Winchester).
- Do not modify the firearm in any way that could affect its safety or performance.
- Be cautious of the loading and unloading process to avoid accidental discharges.
- Use the safety mechanism whenever the firearm is not in use or when transporting it.
- Do not attempt to shoot at hard surfaces or water, as this can cause ricochets.
- Ensure that the area around you is clear of people and obstacles when shooting.

Instructions for Installation and Usage

1. Inspection:

- Before use, inspect the rifle for any signs of damage or wear.
- Check that the barrel is clear of obstructions.

2. Loading:

- Open the loading gate and insert the cartridges into the magazine tube.
- Ensure the cartridges are seated properly and that the magazine is not overfilled.

3. Operation:

- To chamber a round, pull the lever down and then up to close the action.
- Ensure the safety is in the "on" position until you are ready to shoot.

4. Shooting:

- Aim carefully at your target and ensure the area is clear.
- Place your finger on the trigger only when you are ready to fire.

- After firing, maintain control of the rifle and be prepared for recoil.

5. Unloading:

- To unload, point the rifle in a safe direction and open the action.
- Remove any remaining cartridges from the chamber and magazine.
- Always visually and physically check that the firearm is unloaded.

Disposal Instructions

- Dispose of the rifle in accordance with local laws and regulations.
- If the rifle is no longer functional or needed, consider turning it in to a licensed firearms dealer or law enforcement agency.
- Ensure that any ammunition is disposed of safely and responsibly.

Contact Information for Further Support
