[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Manufactured in-house, these barrels are fully stress relieved, air-gauge tested, and 11 degree target crowned to ensure superior accuracy. Quality is imbued into our barrels from the start. We start with the best materials, either certified 4150 Mil-Spec steel or 416-R Stainless. From there, each barrel goes through a battery of tests at each operation until finished in Nitride and final inspected. All barrels are individually checked for headspace by precision custom hardened gauges. SPECS Barrel Material: 4150 CMV Barrel Type: Button Rifled Barrel Caliber: 5.56 NATO Barrel Twist: 1:8 Barrel Length: 7.5" or 14.5" Barrel Profile: Gov't/Socom Barrel Gas System: Mid Length Inside Finish: Nitride Outside Finish: Nitride Muzzle Thread: 1/2-28 Gas Block Diameter: .750" Gas Block Journal Length: 1.9" Barrel Extension: M4 Weight: 7.5" Barrel 1.50 lbs / 14.5" Barrel 1.5 lbs Magnetic Particle Inspected 11-degree Target Crown

# Safety Instruction Guide for DUTY 5.56X45 NATO GOV'T/SOCOM PROFILE RIFLE BARRELS FOR AR15

## Introduction

Thank you for choosing the DUTY 5.56X45 NATO GOV'T/SOCOM PROFILE RIFLE BARRELS FOR AR15 by Faxon Firearms. This guide provides important safety information, usage instructions, and contact details for support. Please read this document carefully to ensure safe and effective use of your product.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions and warnings.
- Be aware of potential hazards associated with the use of firearm components.
- Always treat the barrel as if it is loaded, even when it is not.
- Store the barrel and all related accessories in a secure location, away from unauthorized access, especially from children.
- Only use the barrel with compatible AR15 platforms and ammunition specified.
- Regularly inspect the barrel for signs of wear or damage before use.
- Follow local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Do not exceed the recommended caliber of 5.56 NATO.
- Ensure that the barrel is properly installed and securely attached to the firearm before use.
- Use only highquality, certified ammunition to prevent malfunctions.
- Always wear appropriate safety gear, including eye and ear protection, when handling or firing a firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

#### 1. Tools Required:

- Armorer's wrench
- Torque wrench
- Appropriate headspace gauges

#### 2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the upper receiver using the armorer's wrench.
- Clean the upper receiver and inspect for any debris or damage.
- Align the new DUTY barrel with the upper receiver and insert it into place.
- Secure the barrel using the appropriate torque specifications provided by the firearm manufacturer.
- Check headspace using precision custom hardened gauges to ensure proper fit.
- Once installed, perform a function check to ensure everything operates correctly.

### Usage

- Always ensure the firearm is unloaded when not in use.

- Regularly clean and maintain the barrel according to manufacturer recommendations.
- When firing, maintain a proper grip and stance to control recoil.
- Follow all local laws regarding the discharge of firearms in your area.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- Do not throw the barrel in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the DUTY 5.56X45 NATO GOV'T/SOCOM PROFILE RIFLE BARRELS FOR AR15, please consult the manufacturer or your local firearms dealer for assistance. Ensure you have the product details ready for reference.

By adhering to the above guidelines and instructions, you can ensure a safe and enjoyable experience with your DUTY 5.56X45 NATO GOV'T/SOCOM PROFILE RIFLE BARRELS FOR AR15. Thank you for your attention to safety and responsible firearm handling.
