[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Manufactured in-house, these barrels are fully stress relieved, air-gauge tested, and 11 degree target crowned to ensure superior accuracy. Quality is imbued into our barrels from the start. We start with the best materials, either certified 4150 Mil-Spec steel or 416-R Stainless. From there, each barrel goes through a battery of tests at each operation until finished in Nitride and final inspected. All barrels are individually checked for headspace by precision custom hardened gauges. Safety Instruction Guide for DUTY 5.56X45 NATO GOV'T/SOCOM PROFILE RIFLE BARRELS FOR AR15

Introduction

Thank you for choosing the DUTY 5.56X45 NATO GOV'T/SOCOM PROFILE RIFLE BARRELS FOR AR15 by Faxon Firearms. This guide provides essential safety information to ensure the safe use and handling of your rifle barrel. Please read this guide carefully before use.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition separately and securely.
- Ensure that the firearm is in good working condition before use.
- Use only the recommended ammunition for your firearm.
- Be aware of your surroundings and ensure that the shooting area is clear.
- Wear appropriate eye and ear protection while shooting.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the barrel is installed correctly according to the manufacturer's guidelines.
- Regularly check for any signs of wear or damage to the barrel.
- Avoid using damaged or improperly maintained firearms.
- Be cautious when cleaning the barrel; ensure it is unloaded before cleaning.
- Do not exceed the recommended barrel length and twist rate for your specific firearm.
- Only use the barrel with compatible AR15 platforms.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel by following the manufacturer's instructions.
- Align the new DUTY 5.56X45 NATO barrel with the barrel extension and secure it using the appropriate tools.
- Tighten the barrel nut to the manufacturer's specifications.
- Install the gas block and gas tube if applicable, ensuring proper alignment.
- Doublecheck that all components are secure before proceeding.

2. Usage:

- Before firing, check that the barrel is properly installed and that the firearm is functioning correctly.
- Follow all safety guidelines when handling and firing the firearm.
- Clean the barrel after use to maintain performance and longevity.
- Regularly inspect the barrel for any signs of wear, corrosion, or damage.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations for hazardous materials.
- Contact your local waste management authority for guidance on proper disposal methods.

- Do not discard the barrel in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product information, please consult the manufacturer's website or contact your local dealer. It is important to have access to support for any questions or concerns regarding the use of your DUTY 5.56X45 NATO GOV'T/SOCOM PROFILE RIFLE BARREL.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your DUTY 5.56X45 NATO GOV'T/SOCOM PROFILE RIFLE BARREL. Always stay informed and vigilant when handling firearms. Thank you for choosing Faxon Firearms.
