

# 5.56 NATO GOVT/SOCOM PROFILE BARREL W/PINNED GAS BLOCK FOR AR15 - FAXON FIREARMS 5.56X45 NATO 16" 1-8 GOV/SOCOM BBL W/PINNED GAS BLOCK NITRID

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

If you're looking for a more robust mounting method for your gas block... look no further. Pinning your gas block, in addition to the use of set screws, gives the user the extra piece of mind that your gas block won't shift or loosen while firing. Faxon took some of Faxon's most popular barrel models and took the biggest headache out of pinning your gas block by pre-notching the gas block journal and drilling corresponding holes in the included low profile gas block. Each Pinned Gas Block Barrel comes with the pin, as well as a gas block. Gas blocks are hand-tightened to the barrel for shipping. Faxon Firearms barrels are the pinnacle of value. Manufactured in-house, these barrels are fully stress relieved, air-gauge tested, and 11 degree target crowned to ensure superior accuracy. Quality is imbued into Faxon's barrels from the start. Faxon start with the best materials, either certified 4150 Mil-Spec steel or 416-R Stainless. From there, each barrel goes through a battery of tests at each operation until finished in Nitride and final inspected. All barrels are individually checked for headspace by precision custom hardened gauges. # Safety Instruction Guide for Faxon Firearms 5.56 NATO GOVT/SOCOM Profile Barrel with Pinned Gas Block

## Introduction

Thank you for choosing the Faxon Firearms 5.56 NATO GOVT/SOCOM Profile Barrel with Pinned Gas Block for your AR15. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read and follow these instructions carefully.

## General Safety Guidelines

- Product Safety: This product is designed for safe use when installed and operated correctly. Ensure you understand all safety instructions before use.
- Enhanced Recalls: In the event of any safety concerns, the manufacturer will issue standardized recall notices and provide free remedies for any dangerous products.
- Online Shopping: This product meets the same safety requirements as those sold in physical stores. Ensure you purchase from reputable sources.
- Special Consumer Focus: Extra care should be taken when this product is used by or around vulnerable groups, including children.
- EU Contact Point: For safety inquiries, please refer to the manufacturer's contact information provided with your product.
- Rapid Alerts: Stay informed about product safety by checking updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installation or maintenance.
- Wear appropriate safety gear, including eye protection, when handling the firearm.
- Do not attempt to modify the barrel or gas block beyond the manufacturer's specifications.
- Ensure the barrel is installed by a qualified gunsmith if you are not experienced in firearm assembly.
- Regularly inspect the barrel and gas block for signs of wear or damage.
- Store the firearm in a secure location, out of reach of children and unauthorized users.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and safety equipment before beginning the installation.
- Ensure your workspace is clean and welllit.

### 2. Installation of the Barrel

- Remove the existing barrel from your AR15 following the manufacturer's instructions.
- Align the new Faxon Firearms barrel with the upper receiver.
- Secure the barrel using the appropriate torque specifications to avoid damage.

### 3. Installation of the Pinned Gas Block

- Position the included low profile gas block over the prenotched gas block journal on the barrel.
- Insert the pin provided to secure the gas block in place.
- Ensure the gas block is properly aligned with the barrel and tightened securely.

#### 4. Final Checks

- Doublecheck all connections and ensure that the gas block is handtightened to the barrel.
- Inspect the installation for any signs of misalignment or loose components.

#### 5. Usage

- Once installed, conduct a function check to ensure the gas system operates correctly.
- Test fire the firearm in a safe and controlled environment to confirm proper operation.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following your local waste disposal regulations.
- If the barrel or gas block is damaged beyond repair, follow local regulations for the disposal of firearm components.
- Do not discard the product in regular household waste; contact your local waste management facility for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the contact information provided with your purchase. Ensure you have your product details available for efficient assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Faxon Firearms 5.56 NATO GOVT/SOCOM Profile Barrel with Pinned Gas Block. Thank you for your attention to safety.
