

MATCH 308 WINCHESTER RIFLE BARREL - FAXON FIREARMS MATCH 308 WIN 18" 1-10 TWST HEAVY FLUTED CONTOUR BBL NITRIDE

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Built for Precision ARs

Designed for the larger .308-chambered semi-automatic rifles, the Faxon AR 308 Heavy Fluted Match Barrel is built to provide precision shooters with the barrel they need to excel at distance without dealing with the added weight of heavy bull barrels. Each Faxon AR 308 Heavy Fluted Match Barrel is machined from stainless steel and features heavy fluting that provides all the benefits of a heavy barrel, including enhanced cooling properties, without having to tote around all the extra weight. Each barrel is machined with a .750-inch gas-block journal compatible with most options on the market. Black finish Barrel length: 20 inches Weight: 2.4 pounds Chambered in .308 Win. The Faxon AR 308 Heavy Fluted Match Barrel is treated with a salt-bath nitride coating and is magnetic-particle inspected before leaving the factory to ensure that users have a quality product for their next AR build.

Safety Instruction Guide for MATCH 308 WINCHESTER RIFLE BARREL

Introduction

Thank you for choosing the Faxon Firearms Match 308 Winchester Rifle Barrel. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your rifle barrel. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and its components.
- Always treat every firearm as if it is loaded.
- Store the rifle barrel in a secure location, out of reach of children and unauthorized users.
- Use protective eyewear when handling firearms.
- Regularly inspect your rifle barrel for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Only use .308 Winchester ammunition with this barrel.
- Ensure that the barrel is properly installed before use. Refer to the installation instructions below.
- Do not modify the barrel or firearm in any way that could compromise safety.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Never point the firearm at anything you do not intend to shoot.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and the safety is engaged.
- Remove the existing barrel from your rifle following the manufacturer's instructions.
- Install the Faxon Firearms Match 308 Barrel:
 - Align the barrel with the receiver.
 - Secure the barrel using the appropriate tools and torque specifications as provided by the rifle manufacturer.
 - Ensure the gas block is properly seated and aligned.
- Reassemble the rifle according to the manufacturer's specifications.

2. Usage:

- Load the rifle with .308 Winchester ammunition only.
- Check the chamber to ensure it is clear before loading.
- Take a proper shooting stance and ensure that the rifle is pointed in a safe direction.
- Fire the rifle following standard shooting practices.
- After use, clean the barrel and inspect for any signs of damage or fouling.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or a licensed disposal facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Faxon Firearms Match 308 Winchester Rifle Barrel, please reach out to the manufacturer or your local licensed firearms dealer for assistance.

By following these guidelines, you can ensure a safer experience while using your Faxon Firearms Match 308 Winchester Rifle Barrel. Always prioritize safety and responsibility in all firearmrelated activities.
