

# MATCH 9MM LUGER STRAIGHT FLUTED BARRELS FOR SIG SAUER® P365 - FAXON FIREARMS MATCH 9MM NON-THREADED STRAIGHT BBL FOR SIG SAUER P365 GOLD

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Faxon's Match Series pistol barrels for SIG® P365 are machined in-house from stress-relieved 416-R stainless steel. These barrels are then given a black Nitride or PVD coating to increase lubricity, barrel life, and resistance to surface wear. All barrels are conventionally rifled to allow a wider range of ammunition to be used, including cast lead. The barrels drop into factory-spec slides with no gunsmithing required. Better-than-factory tolerances ensure a consistent, tighter lockup than OEM. SPECS Handgun Type: SIG® P365 Barrel Caliber: 9mm Profile: Straight Fluted, Drop In Barrel Material: Stress Relieved 416-R Stainless Steel Barrel Twist: 1:10 Crown: 11-degree Target Crown Rifling Type: Conventional Finish: Nitride

# Safety Instruction Guide for MATCH 9MM LUGER STRAIGHT FLUTED BARRELS FOR SIG SAUER P365

## Introduction

Thank you for choosing the Faxon Firearms Match 9mm Luger Straight Fluted Barrels for your SIG Sauer P365. This guide is designed to provide you with important safety information, usage instructions, and disposal guidelines to ensure the safe handling and operation of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms and their components with care and respect.
- Ensure that the barrel is installed correctly before using the firearm.
- Regularly inspect the barrel for any signs of damage or wear.
- Use only compatible ammunition as specified by the firearm manufacturer.
- Keep the barrel and firearm out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to firearm malfunction.
- Using incompatible ammunition can cause dangerous conditions.
- Failure to maintain the barrel may result in reduced performance or safety risks.

### • Avoiding Hazards:

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the firearm is unloaded before making any modifications.
- Do not attempt to modify or alter the barrel in any way.
- Use appropriate protective gear, such as eye and ear protection, when operating the firearm.

### • AgeSpecific Warnings:

- This product is intended for use by individuals aged 18 years and older.
- Ensure that inexperienced users are supervised by a knowledgeable adult.

## Instructions for Installation and Usage

### • Installation:

1. Ensure the firearm is completely unloaded.
2. Remove the existing barrel from the SIG Sauer P365 according to the manufacturer's instructions.
3. Carefully insert the Faxon Firearms Match barrel into the slide, ensuring it is aligned correctly.
4. Reassemble the firearm as per the manufacturer's guidelines.
5. Perform a function check to ensure proper operation before use.

### • Usage:

- Always verify that the barrel is securely installed before firing.

- Use only 9mm Luger ammunition that is compatible with the SIG Sauer P365.
- Clean the barrel regularly to maintain performance and safety.
- Store the firearm and barrel in a safe and secure location when not in use.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations for metal recycling or hazardous waste.
- Ensure that the barrel is not usable by unauthorized individuals before disposal.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your Faxon Firearms Match 9mm Luger Straight Fluted Barrel, please refer to the manufacturer's website or contact customer support directly.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
