

MATCH 9MM LUGER STRAIGHT FLUTED BARREL FOR SIG SAUER P365 XL - FAXON FIREARMS MATCH 9MM THREADED STRAIGHT BBL FOR SIG SAUER P365XL CHAMELN

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Faxon's Match Series pistol barrels for SIG® P365 XL are machined in-house from stress-relieved 416-R stainless steel. These barrels are then given a black Nitride or PVD coating to increase lubricity, barrel life, and resistance to surface wear. All barrels are conventionally rifled to allow a wider range of ammunition to be used, including cast lead. The barrels drop into factory-spec slides with no gunsmithing required. Better-than-factory tolerances ensure a consistent, tighter lockup than OEM.

Safety Instruction Guide for MATCH 9MM LUGER STRAIGHT FLUTED BARREL FOR SIG SAUER P365 XL

Introduction

Thank you for choosing the Faxon Firearms Match 9mm Luger Straight Fluted Barrel for your SIG Sauer P365 XL. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your safety and the optimal performance of your product.

General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure the firearm is unloaded before installing or handling the barrel.
- Keep the barrel and all firearms out of reach of children and unauthorized users.
- Regularly inspect your barrel for signs of wear or damage.
- Always wear appropriate eye and ear protection when using firearms.
- Familiarize yourself with local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Ensure that the barrel is compatible with your SIG Sauer P365 XL before installation.
- Do not use ammunition that exceeds the specifications for the barrel.
- Avoid using damaged or corroded ammunition to prevent malfunctions.
- Ensure that the barrel is securely installed before firing.
- Do not attempt to modify or alter the barrel in any way.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. Gather Necessary Tools:

- Ensure you have the appropriate tools for installation, including a torque wrench and any other necessary tools specific to your firearm.

2. Ensure Safety:

- Make sure the firearm is unloaded and pointed in a safe direction.

3. Remove the Factory Barrel:

- Disassemble the firearm according to the manufacturer's instructions.
- Carefully remove the factory barrel from the slide.

4. Install the New Barrel:

- Insert the Faxon Firearms Match Barrel into the slide.
- Ensure that it fits snugly and aligns correctly with the slide.

5. Reassemble the Firearm:

- Follow the manufacturer's instructions to reassemble the firearm.
- Ensure all components are securely fastened.

6. Test Functionality:

- Before live firing, perform a function check to ensure the firearm operates correctly with the new barrel.

Usage Instructions

- Always follow the manufacturer's guidelines for the SIG Sauer P365 XL when using the firearm.
- Use only recommended ammunition types to ensure safe and optimal performance.
- Regularly clean and maintain the barrel to prevent fouling and ensure longevity.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- If the barrel is damaged or no longer usable, consult local authorities or firearms professionals for safe disposal methods.

Contact Information for Further Support

For questions regarding safety, installation, or product performance, please refer to the manufacturer's website or contact customer support for assistance.

By following these guidelines, you can ensure safe and effective use of your Faxon Firearms Match 9mm Luger Straight Fluted Barrel for SIG Sauer P365 XL. Always prioritize safety and compliance with local laws and regulations.
