

MATCH 9MM LUGER STRAIGHT FLUTED BARREL FOR SIG SAUER P365 XL - FAXON FIREARMS MATCH 9MM THREADED STRAIGHT BBL FOR SIG SAUER P365XL GOLD

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Faxon's Match Series pistol barrels for SIG® P365 XL are machined in-house from stress-relieved 416-R stainless steel. These barrels are then given a black Nitride or PVD coating to increase lubricity, barrel life, and resistance to surface wear. All barrels are conventionally rifled to allow a wider range of ammunition to be used, including cast lead. The barrels drop into factory-spec slides with no gunsmithing required. Better-than-factory tolerances ensure a consistent, tighter lockup than OEM.

Safety Instructions for MATCH 9MM LUGER STRAIGHT FLUTED BARREL FOR SIG SAUER P365 XL

Introduction

Thank you for choosing the MATCH 9MM LUGER STRAIGHT FLUTED BARREL for your SIG SAUER P365 XL. This product is designed for precision and performance. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the barrel is compatible with your firearm before installation.
- Always keep firearms pointed in a safe direction.
- Treat every firearm as if it is loaded.
- Store the barrel and firearm securely to prevent unauthorized access.
- Use only factoryapproved ammunition suitable for the 9mm Luger cartridge.
- Regularly inspect the barrel for signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

• Hazard Identification:

- Improper installation may result in malfunction or injury.
- Using incorrect ammunition can lead to dangerous situations.
- Ensure that the firearm is unloaded before installation.

• Instructions for Avoiding Hazards:

- Always verify that the firearm is unloaded by checking the chamber and magazine.
- Do not attempt to install the barrel if you are not familiar with firearm maintenance.
- Seek assistance from a qualified gunsmith if you have any doubts about the installation process.

• AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that children are kept away from firearms and firearm components at all times.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a wrench or appropriate tool for barrel installation.
- Ensure a clean and safe workspace.

2. Installation Steps:

- Verify that your SIG SAUER P365 XL is unloaded.
- Remove the factory barrel from the slide by following the manufacturer's instructions.
- Insert the MATCH 9MM LUGER STRAIGHT FLUTED BARREL into the slide.
- Secure the barrel in place as per the firearm's specifications.

- Reassemble the firearm according to the manufacturer's guidelines.

3. Usage:

- Always perform a function check after installation to ensure proper operation.
- Use the firearm in a controlled environment, following all safety protocols.
- Regularly clean and maintain the barrel to ensure optimal performance.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding metal and firearm components.
- Do not dispose of the barrel in regular household waste.
- If the barrel is damaged or no longer in use, consider recycling or contacting a local firearms dealer for proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact details provided with the product packaging or visit the manufacturer's official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MATCH 9MM LUGER STRAIGHT FLUTED BARREL for SIG SAUER P365 XL. Always prioritize safety and responsible firearm handling.
