

ULTIMATE RIFLE 4-DIE SETS - LEE PRECISION .45-70 LEVEREVOLUTION ULTIMATE FULL LENGTH SIZING 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Choose this die set for maximum versatility. The set features a full length-resizing die to return brass to factory new dimensions, perfect for reloading brass fired in other guns. The Collet Neck sizing die is used on your fire formed brass giving you best possible accuracy. No case lube required and cases last almost forever. The Easy Adjust Dead Length Bullet seating die foolproofs the bullet seating adjustment, and assures perfect seating depth every time. The Factory Crimp die provides a secure crimp on bullets with or without a crimp groove. In most cases it helps accuracy by providing a uniform higher start pressure and gives the finished cartridge Factory like accuracy and dependability. The set is complete, with shell holder, powder measure and famous Lee load data featuring all common brands of powder organized in a easy to read logical format. Includes a full length sizer, collet necksizer, Easy Adjust Dead Length Bullet Seating Die & Factory Crimp Die.

ULTIMATE RIFLE 4DIE SET Safety Instruction Guide

Introduction

Thank you for choosing the ULTIMATE RIFLE 4DIE SET LEE PRECISION .4570 LEVEREVOLUTION ULTIMATE FULL LENGTH SIZING 4DIE SET. This product is designed for maximum versatility and precision in reloading ammunition. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure you are familiar with the components and functions of the die set before use.
- Use the die set in a wellventilated area.
- Keep the die set and all components out of reach of children and unauthorized users.
- Wear appropriate safety gear, including safety glasses and gloves, when handling reloading materials.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Cartridge Compatibility:** Use only with .4570 Leverrevolution cartridges. Do not attempt to use with other calibers.
- **Inspection:** Regularly inspect your die set for any signs of wear or damage. Replace any damaged parts immediately.
- **Proper Lubrication:** While no case lube is required for the Collet Neck sizing die, ensure that you are using the correct lube for other components as needed.
- **Seating Depth:** Always doublecheck the bullet seating depth before finalizing the cartridge. Incorrect seating can lead to malfunctions or unsafe conditions.
- **Crimping:** When using the Factory Crimp die, ensure a secure crimp is applied to prevent bullet movement during handling or firing.
- **Storage:** Store the die set in a dry, safe place when not in use. Avoid exposure to moisture or extreme temperatures.

Instructions for Installation and Usage

1. Setup:

- Securely mount your reloading press on a stable surface.
- Gather all necessary components, including the die set, shell holder, and powder measure.

2. Installing the Dies:

- Install the full lengthresizing die into the press and adjust to ensure proper sizing of the brass.
- Follow with the Collet Neck sizing die, ensuring it is set correctly for fireformed brass.
- Install the Easy Adjust Dead Length Bullet Seating Die and set the desired seating depth.
- Finally, install the Factory Crimp die to apply a secure crimp to the finished cartridges.

3. Reloading Process:

- Resize the brass using the full lengthresizing die.
- Use the Collet Neck sizing die for improved accuracy on fireformed brass.
- Measure and pour the appropriate amount of powder using the powder measure.

- Insert the bullet into the case and use the Easy Adjust Dead Length Bullet Seating Die to seat the bullet to the correct depth.
- Apply the Factory Crimp die to ensure a secure crimp.

4. Final Inspection:

- Inspect each completed cartridge for proper dimensions and crimping.
- Store completed cartridges in a safe and secure manner.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local waste disposal regulations.
- Do not throw away hazardous materials in regular trash. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact information provided in the product packaging or user manual.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the ULTIMATE RIFLE 4DIE SET LEE PRECISION .4570 LEVEREVOLUTION ULTIMATE FULL LENGTH SIZING 4DIE SET. Always prioritize safety and compliance with regulations to enjoy your reloading activities responsibly.
