

ULTIMATE RIFLE 4-DIE SETS - LEE PRECISION .303 BRITISH

ULTIMAGE 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Choose this die set for maximum versatility. The set features a full length-resizing die to return brass to factory new dimensions, perfect for reloading brass fired in other guns. The Collet Neck sizing die is used on your fire formed brass giving you best possible accuracy. No case lube required and cases last almost forever. The Easy Adjust Dead Length Bullet seating die foolproofs the bullet seating adjustment, and assures perfect seating depth every time. The Factory Crimp die provides a secure crimp on bullets with or without a crimp groove. In most cases it helps accuracy by providing a uniform higher start pressure and gives the finished cartridge Factory like accuracy and dependability. The set is complete, with shell holder, powder measure and famous Lee load data featuring all common brands of powder organized in a easy to read logical format. Includes a full length sizer, collet necksizer, Easy Adjust Dead Length Bullet Seating Die & Factory Crimp Die.

ULTIMATE RIFLE 4DIE SETS LEE PRECISION .303 BRITISH ULTIMAGE 4DIE SET Safety Instructions

Introduction

Thank you for choosing the ULTIMATE RIFLE 4DIE SET LEE PRECISION .303 BRITISH ULTIMAGE 4DIE SET. This product is designed for maximum versatility in reloading ammunition. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that you are using the product in a safe and controlled environment.
- Keep all components away from children and unauthorized individuals.
- Familiarize yourself with the specific features and functions of the die set before use.
- Always wear appropriate safety gear, including safety glasses, when reloading.
- Do not exceed recommended load limits or use incompatible components.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper use of reloading dies can lead to ammunition that does not meet safety standards.
- Using worn or damaged components may cause malfunctions or accidents.
- Inadequate crimping may result in bullets dislodging during firing.

- **Avoiding Hazards:**

- Always inspect dies and components for damage before use.
- Ensure that all brass is properly resized and free of defects before reloading.
- Follow the instructions for the Easy Adjust Dead Length Bullet Seating Die carefully to ensure proper seating depth.
- Use the Factory Crimp Die to secure bullets adequately, especially if they do not have a crimp groove.

- **Age or Audience Specific Warnings:**

- This product is intended for use by individuals who are knowledgeable about firearms and ammunition reloading.
- Keep this product out of reach of children and those unfamiliar with reloading practices.

Instructions for Installation and Usage

- **Installation:**

- Ensure that your reloading press is securely mounted and stable.
- Insert the fulllength resizing die into the press and tighten it according to manufacturer instructions.
- Install the collet neck sizing die next, ensuring it is properly adjusted for your brass.
- Attach the Easy Adjust Dead Length Bullet Seating Die, following the manufacturer's guidelines for setup.

- Finally, install the Factory Crimp Die, ensuring it is set correctly for the specific bullet type.

- **Usage:**

- Begin by resizing your brass using the fulllength resizing die. Ensure that it returns to factory new dimensions.
- Use the collet neck sizing die on fireformed brass for optimal accuracy.
- Adjust the bullet seating depth using the Easy Adjust Dead Length Bullet Seating Die, checking for consistency after each adjustment.
- Crimp your completed cartridges using the Factory Crimp Die, ensuring a secure fit for safe firing.
- Refer to the included Lee load data for guidance on powder types and load specifications.

Disposal Instructions

- Dispose of any unused or defective components according to local regulations.
- Ensure that all materials are properly recycled or disposed of in an environmentally friendly manner.
- Do not dispose of reloading components in regular household waste.

Contact Information for Further Support

For any inquiries regarding the safety or use of this product, please consult your local dealer or manufacturer. Be sure to keep this manual for future reference.

By following these safety instructions, you can ensure a safe and effective reloading experience with your ULTIMATE RIFLE 4DIE SET LEE PRECISION .303 BRITISH ULTIMATE 4DIE SET. Thank you for prioritizing safety.
