

# ULTIMATE RIFLE 4-DIE SETS - LEE PRECISION 8X57MM MAUSER

## ULTIMAGE 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Choose this die set for maximum versatility. The set features a full length-resizing die to return brass to factory new dimensions, perfect for reloading brass fired in other guns. The Collet Neck sizing die is used on your fire formed brass giving you best possible accuracy. No case lube required and cases last almost forever. The Easy Adjust Dead Length Bullet seating die foolproofs the bullet seating adjustment, and assures perfect seating depth every time. The Factory Crimp die provides a secure crimp on bullets with or without a crimp groove. In most cases it helps accuracy by providing a uniform higher start pressure and gives the finished cartridge Factory like accuracy and dependability. The set is complete, with shell holder, powder measure and famous Lee load data featuring all common brands of powder organized in a easy to read logical format. Includes a full length sizer, collet necksizer, Easy Adjust Dead Length Bullet Seating Die & Factory Crimp Die.

# ULTIMATE RIFLE 4DIE SETS LEE PRECISION 8X57MM MAUSER Safety Instruction Guide

## Introduction

Thank you for choosing the ULTIMATE RIFLE 4DIE SETS LEE PRECISION 8X57MM MAUSER. This guide provides essential safety instructions to ensure the safe use of your die set. Please read through this document carefully to understand how to use your product safely and effectively.

## General Safety Guidelines

- Always follow the manufacturer's instructions when using the die set.
- Use the die set in a wellventilated area to avoid inhalation of any dust or fumes.
- Keep the die set out of reach of children and pets.
- Wear appropriate safety gear, including eye protection, when using any reloading equipment.
- Regularly inspect the die set for any signs of wear or damage before use.
- Do not modify any components of the die set, as this could lead to unsafe conditions.
- Ensure that your workspace is clean and organized to prevent accidents.
- Store the die set in a safe and dry place when not in use.

## Specific Safety Precautions for Use

- **Cartridge Selection:** Ensure that you are using the die set specifically for the 8 mm Mauser (8 x 57 mm Mauser) cartridges.
- **Case Preparation:** Always inspect your brass cases for any signs of damage or wear before resizing.
- **Lubrication:** While the Collet Neck sizing die does not require case lube, ensure that you are familiar with the requirements for other dies in the set.
- **Bullet Seating:** When using the Easy Adjust Dead Length Bullet Seating Die, make sure to doublecheck the seating depth to avoid overseating or underseating.
- **Crimping:** The Factory Crimp Die should be used carefully to ensure a secure crimp without damaging the bullet or casing.
- **Handling Powder:** When measuring and handling powder, follow all safety guidelines related to powder storage and handling to avoid any risk of fire or explosion.

## Instructions for Installation and Usage

### 1. Setup:

- Secure the die set in a reloading press that is compatible with 7/8"14 threads.
- Ensure all components are clean and free from debris.

### 2. Full Length Resizing Die:

- Insert the brass case into the die and raise the ram to resize the case to factory specifications.
- Lower the ram and remove the resized case.

### 3. Collet Neck Sizing Die:

- Place the fireformed brass case into the die.
- Raise the ram to size the neck of the case without affecting the body.
- Remove the case after sizing.

### 4. Easy Adjust Dead Length Bullet Seating Die:

- Insert the bullet into the case mouth and place it into the die.
- Adjust the seating depth as required and raise the ram to seat the bullet.

#### **5. Factory Crimp Die:**

- Place the seated cartridge into the die.
- Raise the ram to apply a crimp to the bullet.

#### **6. Cleaning and Maintenance:**

- After use, clean the dies with a soft cloth to remove any residue.
- Store the die set in a protective case to prevent damage.

## **Disposal Instructions**

- Dispose of any used brass cases and components in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Follow local guidelines for hazardous waste disposal.
- Recycle materials whenever possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or support, please refer to the manufacturer's website or contact their customer service directly.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your ULTIMATE RIFLE 4DIE SETS LEE PRECISION 8X57MM MAUSER. Always prioritize safety and remain informed about best practices in reloading.
