

# INLINE BULLET FEEDER DIES ONLY - LEE PRECISION 35 CALIBER INLINE BULLET FEED DIE ONLY

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

All steel construction featuring a ball bearing escapement mechanism. Spring loaded positive ball carrier return assures reliable operation. Jacketed, cast, powder coated and copper plated bullets are reliably fed. Configurable for long and short bullet lengths. Includes support tab for the optional multi tube feed magazine. Works in any press with standard 7/8-14 threads. Each die is caliber specific so there is nothing to change or adjust. Easy adjustment, place a case in your press and screw the Inline die in until it drops a bullet plus a half a turn, and that's it.

# INLINE BULLET FEEDER DIES ONLY LEE PRECISION 35 CALIBER Safety Instruction Guide

## Introduction

Thank you for choosing the INLINE BULLET FEEDER DIES ONLY LEE PRECISION 35 CALIBER. This product is designed to enhance your reloading experience with a reliable and efficient bullet feeding mechanism. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use this product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of wear or damage.
- Do not modify the product or use it for any purpose other than its intended use.
- Ensure that your workspace is clean and organized to prevent accidents.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during operation.

## Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted and stable before use.
- Be aware of your surroundings and ensure that no one is within reach of the equipment while in operation.
- Do not exceed the recommended bullet lengths as specified by the manufacturer.
- Always keep fingers and hands clear of moving parts during operation.
- In case of any malfunction or unusual behavior, stop using the product immediately and consult the manufacturer.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the reloading press is powered off and unplugged before installation.
- Identify the standard 7/814 threads on your reloading press.
- Screw the INLINE BULLET FEED DIE into the press until securely fastened.

### 2. Adjustment

- Place a case in your press.
- Screw the INLINE die in until it drops a bullet, then turn an additional half turn.
- Check the alignment and ensure the bullet feeds correctly.

### 3. Operation

- Load bullets into the die as per the manufacturer's guidelines.
- Engage the press to start the reloading process.
- Monitor the feeding mechanism for any irregularities during operation.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, contact your local waste management authority for

proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your INLINE BULLET FEEDER DIES ONLY LEE PRECISION 35 CALIBER.
