

# INLINE BULLET FEEDER DIES ONLY - LEE PRECISION 26 CALIBER INLINE BULLET FEED DIE ONLY

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

All steel construction featuring a ball bearing escapement mechanism. Spring loaded positive ball carrier return assures reliable operation. Jacketed, cast, powder coated and copper plated bullets are reliably fed. Configurable for long and short bullet lengths. Includes support tab for the optional multi tube feed magazine. Works in any press with standard 7/8-14 threads. Each die is caliber specific so there is nothing to change or adjust. Easy adjustment, place a case in your press and screw the Inline die in until it drops a bullet plus a half a turn, and that's it.

# **Safety Instruction Guide for INLINE BULLET FEEDER DIES ONLY LEE PRECISION 26 CALIBER INLINE BULLET FEED DIE ONLY**

## **Introduction**

Thank you for choosing the INLINE BULLET FEEDER DIES ONLY LEE PRECISION 26 CALIBER INLINE BULLET FEED DIE. This product is designed for safe and efficient reloading of ammunition. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always read and understand the product instructions before use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay updated on product recalls and safety alerts via the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use only in a wellventilated area to avoid inhalation of dust or fumes.
- Wear appropriate personal protective equipment, including safety glasses and gloves.
- Ensure that the press you are using is compatible with the INLINE BULLET FEED DIE.
- Do not exceed the recommended bullet lengths or weights specified by the manufacturer.
- Always secure the die properly to prevent accidental dislodgment during operation.
- Avoid distractions while operating the press to maintain focus and safety.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the press is turned off and unplugged before installation.
- Identify the standard 7/814 threads on your press.
- Carefully screw the INLINE BULLET FEED DIE into the press until it is handtight.
- Adjust the die by placing a case in the press and screwing the die in until it drops a bullet plus a half turn.

### **2. Usage:**

- Load the bullets into the feeder mechanism according to the product instructions.
- Operate the press slowly and steadily to ensure proper feeding of bullets.
- Monitor the operation to ensure that bullets are being fed correctly.
- If any issues arise, stop using the product immediately and consult the troubleshooting section.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For further assistance or inquiries regarding product safety, please contact your local distributor or manufacturer. Ensure to have your product details and any relevant information ready to facilitate support.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you have a successful experience with the INLINE BULLET FEEDER DIES ONLY LEE PRECISION 26 CALIBER INLINE BULLET FEED DIE.
