[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

The M4E1 Threaded Upper Receiver features a new angular machined design that helps it stand apart from standard mil-spec upper receivers. This upper receiver features the same enhanced body profile as our M4E1 Enhanced Upper Receiver but is threaded to accept a standard AR15 barrel nut. It is forged from 7075-T6 Aluminum, precision machined to work with all mil-spec AR15 parts and includes the port door and forward assist pre-installed. The M4E1 Threaded Upper Receiver is designed to pair perfectly with our new M4E1 Lower Receiver giving you a billet looking receiver set at a fraction of the billet price. New enhanced forging that gives the upper receiver a ""billet look"" New picatinny profile that blends seamlessly with Aero Precision's Enhanced and ATLAS Series Handguards M4 Feedramps .250 takedown pin holes Includes threaded forward assist roll pin Includes port door and forward assist M4E1 Threaded Upper Receiver in Magpul, FDE Cerakote Port Door and Forward Assist installed

# M4E1 ASSEMBLED UPPER RECEIVER THREADED 5.56MM FDE AERO PRECISION Safety Instruction Guide

## Introduction

Thank you for choosing the M4E1 Threaded Upper Receiver. This product is designed to enhance your firearm experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand how to use, install, and dispose of the product safely.

## General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that the product is used in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or irregularities, do not use the product and contact a qualified gunsmith.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the upper receiver is compatible with your AR15 lower receiver before installation.
- Always use appropriate safety gear when handling firearms, including eye and ear protection.
- Avoid using the product in wet or damp conditions to prevent corrosion and malfunction.
- Do not exceed the recommended cartridge specifications (5.56 x 45) when using this upper receiver.
- Be cautious of hot surfaces after firing, as parts of the upper receiver may become very hot.
- Follow all manufacturer instructions regarding the assembly and disassembly of the upper receiver.
- Ensure that the threaded barrel nut is securely tightened before use to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Ensure that your workspace is clean and free from distractions.

### 2. Installation:

- Align the M4E1 Threaded Upper Receiver with your compatible AR15 Lower Receiver.
- Insert the takedown pin and ensure it is properly seated.
- Attach the standard AR15 barrel nut using the appropriate torque specifications provided by the manufacturer.
- Install the port door and forward assist if not preinstalled, ensuring they function correctly.

### 3. Usage:

- Before firing, ensure that the firearm is in a safe condition and that the chamber is clear.
- Load the firearm following standard safety protocols.
- After use, always clean and maintain the upper receiver to ensure longevity and reliability.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearms and firearm components.
- Do not discard the product in regular household waste.
- If the product is damaged beyond use, consult local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the M4E1 Threaded Upper Receiver, please contact your local authorized dealer or manufacturer. Ensure that you keep all documentation related to the product for reference.

By following these guidelines, you can ensure safe and effective use of your M4E1 Threaded Upper Receiver. Thank you for prioritizing safety and compliance.
