

AR-15 CLAMP ON ADJUSTABLE GAS BLOCK - SUPERLATIVE ARMS

AR-15 CLAMP ON TITANIUM ADJUSTABLE GAS BLOCK .750" GRAY

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

The Superlative Arms patented "Bleed Off", direct impingement, gas block for the AR15 platform adjusts the gas flow by bleeding the gas out of the block instead of restricting the flow like conventional adjustable blocks. Results: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas / pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of felt recoil. Patented adjustment detent is located outside of the block and therefore no contamination. The gas adjustment screw does not restrict the gas flow; therefore there is no erosion or seizing of the screw / no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and / or suppressors the bleed off port allows the excessive pressure to be exhausted out of the block reducing blow back.

Data: Gas Block Material: 416 SS Barrel Diameter: 0.625" Weight: 1.34 oz. Length: 1.00" Attachment Type: Clamp on Adjustment: Front of Block
Included: Gas Block - Assembled (2) 10-32 x 3/16" Socket Head Cap Screws
(1) Gas Tube Roll Pins (1) 3/32 X 6" L-Shaped Hex Keys Installation

Safety Instruction Guide for AR15 Clamp On Adjustable Gas Block

Introduction

Thank you for choosing the Superlative Arms AR15 Clamp On Adjustable Gas Block. This product is designed to enhance the performance of your AR15 platform while ensuring safe and reliable operation. Please read this safety instruction guide carefully to understand how to use, install, and maintain your gas block safely.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential hazards associated with the use of firearms and related accessories.
- Always handle firearms responsibly and in accordance with applicable laws.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for recalls or safety alerts related to this product via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installation or maintenance of the gas block.
- Do not exceed the specified gas block pressure limits during use.
- Be cautious of hot surfaces when the firearm has been fired.
- Avoid using the gas block if it shows signs of damage or wear.
- Regularly inspect the gas block and its components for any signs of erosion or contamination.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure that the firearm is unloaded and in a safe condition.
2. **Gather Tools:** You will need the following tools:
 - (2) 1032 x 3/16" Socket Head Cap Screws
 - (1) Gas Tube Roll Pins
 - (1) 3/32 X 6" LShaped Hex Key
3. **Remove Existing Gas Block:** If applicable, carefully remove the existing gas block from the barrel.
4. **Position the New Gas Block:** Align the Superlative Arms gas block on the barrel, ensuring that it is centered and properly positioned.
5. **Secure the Gas Block:**
 - Insert the (2) 1032 x 3/16" Socket Head Cap Screws into the designated holes.
 - Tighten the screws evenly to secure the gas block in place.
6. **Install the Gas Tube:** Insert the gas tube roll pin to secure the gas tube to the gas block.
7. **Adjustment:** Use the Lshaped hex key to adjust the gas flow as needed. Ensure that the adjustment detent is functioning correctly.
8. **Final Check:** Inspect all connections and ensure everything is secure before using the firearm.

Usage Instructions

- Always refer to the manufacturer's guidelines for the specific firearm you are using.
- Adjust the gas block according to your shooting conditions (e.g., using suppressors, SBRs).
- Monitor the firearm during operation for any unusual sounds or behaviors.

Disposal Instructions

- Dispose of the gas block and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Superlative Arms AR15 Clamp On Adjustable Gas Block, please refer to the manufacturer's contact information provided with the product.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 Clamp On Adjustable Gas Block. Always prioritize safety and responsible firearm handling.
