

AR-15 CLAMP ON ADJUSTABLE GAS BLOCK - SUPERLATIVE ARMS

AR-15 CLAMP ON TITANIUM ADJUSTABLE GAS BLOCK .875" GRAY

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

The Superlative Arms patented "Bleed Off", direct impingement, gas block for the AR15 platform adjusts the gas flow by bleeding the gas out of the block instead of restricting the flow like conventional adjustable blocks. Results: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas / pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of felt recoil. Patented adjustment detent is located outside of the block and therefore no contamination. The gas adjustment screw does not restrict the gas flow; therefore there is no erosion or seizing of the screw / no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and / or suppressors the bleed off port allows the excessive pressure to be exhausted out of the block reducing blow back.

Data: Gas Block Material: 416 SS Barrel Diameter: 0.625" Weight: 1.34 oz. Length: 1.00" Attachment Type: Clamp on Adjustment: Front of Block
Included: Gas Block - Assembled (2) 10-32 x 3/16" Socket Head Cap Screws
(1) Gas Tube Roll Pins (1) 3/32 X 6" L-Shaped Hex Keys Installation

Safety Instruction Guide for Superlative Arms AR15 Clamp On Adjustable Gas Block

Introduction

Thank you for choosing the Superlative Arms AR15 Clamp On Adjustable Gas Block. This product is designed to enhance the performance of your AR15 platform while ensuring safety and reliability. This guide provides essential safety instructions and information to help you use the product correctly and safely.

General Safety Guidelines

- Ensure that you read and understand all instructions and warnings before using the product.
- Always wear appropriate safety gear, including eye protection, when handling firearms and related components.
- Keep the gas block and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the gas block for any signs of wear, damage, or corrosion.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any product recalls or safety alerts by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation can lead to gas leaks or malfunction of the firearm.
 - Failure to adjust the gas block correctly may result in excessive recoil or cycling issues.
- **Avoiding Hazards:**
 - Follow the installation instructions carefully to prevent improper assembly.
 - Do not exceed the recommended adjustments for gas flow.
 - Ensure the gas block is securely attached to the barrel before use.
 - Do not modify the gas block or its components in any way.
- **Age Specific Warnings:**
 - This product is intended for use by individuals who are knowledgeable about firearms and their components. It is not suitable for use by children or inexperienced users without proper supervision.

Instructions for Installation and Usage

- **Installation Instructions:**
 1. Ensure the firearm is unloaded and safe to work on.
 2. Remove the existing gas block if applicable.
 3. Position the Superlative Arms gas block on the barrel, aligning it with the gas port.
 4. Secure the gas block using the provided clamp and 1032 x 3/16" socket head cap screws.
 5. Insert the gas tube roll pin into the gas block, ensuring it is properly seated.
 6. Use the included Lshaped hex keys to adjust the gas adjustment screw as needed.
 7. Verify that the gas block is securely mounted and that there are no gas leaks.
- **Usage Instructions:**
 - Adjust the gas flow as necessary for your specific ammunition and firearm configuration.
 - Monitor the performance of the firearm during use and make adjustments as needed.
 - If you experience any issues such as excessive recoil or cycling problems, cease use immediately and inspect the gas block.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the gas block is damaged beyond repair, contact your local waste management authorities for proper disposal methods.
- Do not dispose of the product in regular household waste if it contains hazardous materials. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or support, please consult the manufacturer's website or contact their customer service directly. Ensure that you have your product details available for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Superlative Arms AR15 Clamp On Adjustable Gas Block safely and responsibly.
