

EXOMAG 9MM LUGER RIFLE MAGAZINE - EXOMAG 9MM LUGER 40 ROUND WITH EJECTOR BLACK

The MEAN ExoMag is designed to be the most reliable and best feeding 9mm magazine for use with a standard AR lower. The ExoMag has a STANAG magazine outer shape. Add the 9mm upper of your choosing to function with a Glock or Colt variant 9mm BCG. Mean offers both a version with an EJECTOR (for standard blowback bolts) and an EJECTORLESS version (for our Bearing Delay and CMMG Radial Delay systems). All ExoMag models include the last round bolt-hold open feature, as any AR-15 should. Bearing Delay Upper owners: Customers with the Bearing Delay system should select the "Ejectorless" option in the "ExoMag Package Selection" option above. CMMG Radial Delay owners: If you have a CMMG Radial Delay firearm, select the "Ejectorless" option in the "ExoMag Package Selection" option above. ExoMag features: Facilitates quick and easy caliber change from .223/5.56 to 9mm Functions as a magazine! No magwell adapter needed! Keep your standard 5.56 Multi Caliber lower receiver! Comes fully assembled. No tools required. Build and maintain your muscle-memory for reloads and other training from your 5.56 firearms! Same STANAG magazine, same draw, same feel. No learning curve when reloading because it is the same magazine you already use! Use most of your STANAG mag accessories: i.e. mag pouches, storage racks, decals, caliber indicators, etc. Not a picky eater. Shoots all 9mm ammo - hollow points included. It is exclusively the customer's responsibility to be aware of all applicable laws and regulations regarding the purchase and ownership of magazines and the capacities thereof. Customers residing in states with intrusive laws who purchase standard capacity magazines may have their order canceled without warning. Key Specs: No modifications to your 5.56x45 lower receiver! Changing calibers is now simply a complete 9mm upper for your AR platform. No nuts, no bolts, no drilling, no bull. Last round bolt-hold open feature, just as an AR-15 should function. Specially formulated polymer.

EXOMAG 9MM LUGER RIFLE MAGAZINE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the EXOMAG 9MM LUGER RIFLE MAGAZINE. This product is designed to provide reliable performance and compatibility with your AR platform. This safety instruction guide outlines important safety information, installation instructions, and usage guidelines to ensure safe handling and operation. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding the purchase and ownership of firearm magazines.
- Always treat every firearm as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine for any damage before use. Do not use a damaged magazine.
- Store the magazine in a cool, dry place when not in use.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the EXOMAG is compatible with your specific firearm model before use.
- **Ejector Version:** If using with standard blowback bolts, ensure you select the version with the ejector. For Bearing Delay and CMMG Radial Delay systems, use the ejectorless version.
- **Last Round BoltHold Open Feature:** Familiarize yourself with the last round bolthold open feature to enhance your reloading efficiency.
- **Caliber Change:** When changing calibers from .223/5.56 to 9mm, ensure that you have the correct upper receiver installed.
- **Ammunition:** Use only 9mm Luger ammunition. The magazine is designed to handle all types of 9mm ammo, including hollow points.
- **Training:** Practice safe handling and reloading techniques regularly to maintain muscle memory.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing the magazine.
- Insert the EXOMAG into the magazine well of your AR lower receiver until it locks into place.
- Confirm that the magazine is securely attached before proceeding.

2. Loading the Magazine:

- Hold the magazine in one hand and use the other hand to load 9mm ammunition into the magazine.
- Ensure that each round is seated properly to avoid jams or misfeeds.

3. Using the Magazine:

- Insert the loaded magazine into the firearm as described in the installation section.
- Conduct a function check to ensure that the firearm operates correctly with the magazine.
- When firing, be aware of the last round bolthold open feature, which will allow the bolt to remain

open after the last round is fired.

4. Unloading:

- Always ensure the firearm is pointed in a safe direction.
- Remove the magazine from the firearm.
- Clear any remaining rounds from the chamber before storing the firearm.

Disposal Instructions

- Dispose of the magazine in accordance with local laws and regulations.
- Do not throw the magazine in regular waste. Check for local recycling programs or hazardous waste disposal sites.
- If the magazine is damaged or no longer usable, contact your local waste management facility for proper disposal options.
