

EXOMAG 9MM LUGER RIFLE MAGAZINE - MEAN ARMS EXOMAG 9MM LUGER 20 ROUND EJECTORLESS BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The MEAN ExoMag is designed to be the most reliable and best feeding 9mm magazine for use with a standard AR lower. The ExoMag has a STANAG magazine outer shape. Add the 9mm upper of your choosing to function with a Glock or Colt variant 9mm BCG. Mean offers both a version with an EJECTOR (for standard blowback bolts) and an EJECTORLESS version (for our Bearing Delay and CMMG Radial Delay systems). All ExoMag models include the last round bolt-hold open feature, as any AR-15 should. Bearing Delay Upper owners: Customers with the Bearing Delay system should select the "Ejectorless" option in the "ExoMag Package Selection" option above. CMMG Radial Delay owners: If you have a CMMG Radial Delay firearm, select the "Ejectorless" option in the "ExoMag Package Selection" option above. ExoMag features: Facilitates quick and easy caliber change from .223/5.56 to 9mm Functions as a magazine! No magwell adapter needed! Keep your standard 5.56 Multi Caliber lower receiver! Comes fully assembled. No tools required. Build and maintain your muscle-memory for reloads and other training from your 5.56 firearms! Same STANAG magazine, same draw, same feel. No learning curve when reloading because it is the same magazine you already use! Use most of your STANAG mag accessories: i.e. mag pouches, storage racks, decals, caliber indicators, etc. Not a picky eater. Shoots all 9mm ammo - hollow points included. It is exclusively the customer's responsibility to be aware of all applicable laws and regulations regarding the purchase and ownership of magazines and the capacities thereof. Customers residing in states with intrusive laws who purchase standard capacity magazines may have their order canceled without warning. Key Specs: No modifications to your 5.56x45 lower receiver! Changing calibers is now simply a complete 9mm upper for your AR platform. No nuts, no bolts, no drilling, no bull. Last round bolt-hold open feature, just as an AR-15 should function. Specially formulated polymer.

EXOMAG 9MM LUGER RIFLE MAGAZINE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MEAN Arms ExoMag 9mm Luger Rifle Magazine. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the magazine safely and effectively.

General Safety Guidelines

- Always treat all firearms and magazines as if they are loaded.
- Store the magazine and all firearms in a secure location, away from children and unauthorized users.
- Always follow local laws and regulations regarding the purchase, ownership, and use of firearm magazines.
- Inspect the magazine before each use for any signs of damage or wear. Do not use if damaged.
- Use only approved 9mm ammunition with this magazine.
- Keep the magazine away from extreme temperatures and moisture to prevent degradation of materials.

Specific Safety Precautions for Use

- Ensure that the magazine is properly seated in the firearm before attempting to fire.
- Do not attempt to modify the magazine in any way, as this may compromise its safety and functionality.
- When loading the magazine, do so in a safe environment, ensuring that the firearm is pointed in a safe direction.
- Be aware of your surroundings and ensure that there is a safe backstop when firing.
- Do not exceed the magazine's stated capacity of 20 rounds.
- If the magazine fails to feed ammunition properly, cease use immediately and inspect for obstructions or damage.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of your AR15 lower receiver.
- Firmly push the magazine into the magazine well until it clicks into place.

2. Loading the Magazine:

- Hold the magazine with the feed lips facing up.
- Insert 9mm cartridges into the magazine, ensuring they are seated correctly.
- Do not exceed the maximum capacity of 20 rounds.

3. Using the Magazine:

- After loading, insert the magazine into the firearm as described above.
- Ensure that the last round bolthold open feature is functioning correctly.
- Fire the firearm in a safe environment, following all standard shooting safety practices.

4. Unloading the Magazine:

- Remove the magazine from the firearm.

- Press the magazine release button and pull the magazine out of the magazine well.
- To unload, carefully remove the rounds from the magazine, ensuring the firearm is pointed in a safe direction.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding the disposal of firearm accessories.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, dispose of it responsibly.
- For environmentally friendly disposal, consider recycling the polymer material where permitted.

Contact Information for Further Support

For any questions or concerns regarding the MEAN Arms ExoMag 9mm Luger Rifle Magazine, please consult your retailer or manufacturer's website for additional support and resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MEAN Arms ExoMag 9mm Luger Rifle Magazine. Always prioritize safety and responsible usage.
