

EXOMAG 9MM LUGER RIFLE MAGAZINE - EXOMAG 9MM LUGER 32 ROUND EJECTORLESS BLACK

The MEAN ExoMag is designed to be the most reliable and best feeding 9mm magazine for use with a standard AR lower. The ExoMag has a STANAG magazine outer shape. Add the 9mm upper of your choosing to function with a Glock or Colt variant 9mm BCG. Mean offers both a version with an EJECTOR (for standard blowback bolts) and an EJECTORLESS version (for our Bearing Delay and CMMG Radial Delay systems). All ExoMag models include the last round bolt-hold open feature, as any AR-15 should. Bearing Delay Upper owners: Customers with the Bearing Delay system should select the "Ejectorless" option in the "ExoMag Package Selection" option above. CMMG Radial Delay owners: If you have a CMMG Radial Delay firearm, select the "Ejectorless" option in the "ExoMag Package Selection" option above. ExoMag features: Facilitates quick and easy caliber change from .223/5.56 to 9mm Functions as a magazine! No magwell adapter needed! Keep your standard 5.56 Multi Caliber lower receiver! Comes fully assembled. No tools required. Build and maintain your muscle-memory for reloads and other training from your 5.56 firearms! Same STANAG magazine, same draw, same feel. No learning curve when reloading because it is the same magazine you already use! Use most of your STANAG mag accessories: i.e. mag pouches, storage racks, decals, caliber indicators, etc. Not a picky eater. Shoots all 9mm ammo - hollow points included. It is exclusively the customer's responsibility to be aware of all applicable laws and regulations regarding the purchase and ownership of magazines and the capacities thereof. Customers residing in states with intrusive laws who purchase standard capacity magazines may have their order canceled without warning. Key Specs: No modifications to your 5.56x45 lower receiver! Changing calibers is now simply a complete 9mm upper for your AR platform. No nuts, no bolts, no drilling, no bull. Last round bolt-hold open feature, just as an AR-15 should function. Specially formulated polymer.

EXOMAG 9MM LUGER RIFLE MAGAZINE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the EXOMAG 9MM LUGER RIFLE MAGAZINE. This guide provides important safety information and instructions to ensure the safe use and handling of your magazine. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the purchase and ownership of firearm magazines.
- Always treat the magazine as if it is loaded, even when it is not.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine regularly for any signs of damage or wear. Do not use if damaged.
- Use only compatible firearms as specified in the product description.
- Follow all safety guidelines provided by your firearm manufacturer.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the EXOMAG is compatible with your firearm. This magazine is designed for use with a standard AR lower and specific 9mm upper configurations.
- **Ejector Type:** Select the appropriate version of the magazine (Ejector or Ejectorless) based on your firearm's system. Using the wrong type may lead to malfunction.
- **Ammunition:** Only use 9mm ammunition that is suitable for your firearm. This magazine can handle various types of 9mm ammo, including hollow points.
- **Loading:** When loading the magazine, do so in a safe environment. Keep the firearm pointed in a safe direction.
- **Transport:** When transporting the magazine, ensure it is unloaded and stored in a secure manner to prevent accidental discharge.
- **Cleaning:** Regularly clean the magazine according to the manufacturer's instructions to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Insert the magazine into the magazine well of the firearm until it clicks into place.
- Verify that the magazine is securely seated.

2. Usage:

- Load the magazine with 9mm ammunition, ensuring that rounds are aligned correctly.
- Once loaded, insert the magazine into your firearm as described in the installation section.
- To fire, follow the standard operation procedures of your firearm.
- After firing, the last round bolthold open feature will engage, allowing for quicker reloads.

3. Unloading:

- To unload the magazine, remove it from the firearm.
- Depress the magazine release button and pull the magazine out.

- Remove any remaining ammunition from the magazine in a safe manner.

Disposal Instructions

- Dispose of the EXOMAG in accordance with local laws and regulations.
- If the magazine is damaged or no longer usable, contact local waste management for proper disposal methods.
- Do not dispose of the magazine in regular household waste.

Contact Information for Further Support
