

EXOMAG 9MM LUGER RIFLE MAGAZINE - MEAN ARMS EXOMAG 9MM LUGER 40 ROUND EJECTORLESS BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The MEAN ExoMag is designed to be the most reliable and best feeding 9mm magazine for use with a standard AR lower. The ExoMag has a STANAG magazine outer shape. Add the 9mm upper of your choosing to function with a Glock or Colt variant 9mm BCG. Mean offers both a version with an EJECTOR (for standard blowback bolts) and an EJECTORLESS version (for our Bearing Delay and CMMG Radial Delay systems). All ExoMag models include the last round bolt-hold open feature, as any AR-15 should. Bearing Delay Upper owners: Customers with the Bearing Delay system should select the "Ejectorless" option in the "ExoMag Package Selection" option above. CMMG Radial Delay owners: If you have a CMMG Radial Delay firearm, select the "Ejectorless" option in the "ExoMag Package Selection" option above. ExoMag features: Facilitates quick and easy caliber change from .223/5.56 to 9mm Functions as a magazine! No magwell adapter needed! Keep your standard 5.56 Multi Caliber lower receiver! Comes fully assembled. No tools required. Build and maintain your muscle-memory for reloads and other training from your 5.56 firearms! Same STANAG magazine, same draw, same feel. No learning curve when reloading because it is the same magazine you already use! Use most of your STANAG mag accessories: i.e. mag pouches, storage racks, decals, caliber indicators, etc. Not a picky eater. Shoots all 9mm ammo - hollow points included. It is exclusively the customer's responsibility to be aware of all applicable laws and regulations regarding the purchase and ownership of magazines and the capacities thereof. Customers residing in states with intrusive laws who purchase standard capacity magazines may have their order canceled without warning. Key Specs: No modifications to your 5.56x45 lower receiver! Changing calibers is now simply a complete 9mm upper for your AR platform. No nuts, no bolts, no drilling, no bull. Last round bolt-hold open feature, just as an AR-15 should function. Specially formulated polymer.

EXOMAG 9MM LUGER RIFLE MAGAZINE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the EXOMAG 9MM LUGER RIFLE MAGAZINE by MEAN ARMS. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. Please read this document carefully to understand the proper handling, installation, and disposal of the product.

General Safety Guidelines

- Ensure that the magazine is used only with compatible firearms. The EXOMAG is designed for use with standard AR lowers and 9mm upper receivers.
- Always treat every firearm as if it is loaded. Handle the magazine and firearm with care at all times.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear. Do not use a damaged magazine.
- Be aware of local laws and regulations regarding magazine capacities and ownership. Ensure compliance to avoid legal issues.
- Report any unsafe products or incidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- **Compatibility:** Use the magazine only with Glock or Colt variant 9mm BCGs. Ensure that your firearm is compatible with the EXOMAG.
- **Ejector Selection:** If you own a Bearing Delay Upper or CMMG Radial Delay firearm, select the "Ejectorless" option to avoid malfunctions.
- **Last Round BoltHold Open Feature:** Familiarize yourself with the last round bolthold open feature for safe operation.
- **Ammunition:** The EXOMAG is designed to shoot all 9mm ammunition, including hollow points. Ensure that you use only safe and reliable ammunition.
- **Caliber Change:** When changing from .223/5.56 to 9mm, ensure that the proper upper receiver is installed securely before use.
- **Training:** Practice reloading and operating your firearm with the EXOMAG to build muscle memory and ensure safety during use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the EXOMAG into the magazine well of the firearm until it clicks into place securely.
- If using a .223/5.56 lower, confirm that the magazine is compatible with the selected 9mm upper receiver.

2. Usage:

- Load the magazine with 9mm ammunition, ensuring that rounds are seated properly.
- Once loaded, insert the magazine into the firearm as described in the installation section.
- Always check the chamber and magazine to ensure they are clear before handling.
- When shooting, maintain proper firearm handling practices and be aware of your surroundings.

3. PostUsage:

- After use, remove the magazine from the firearm and ensure it is empty.
- Store the magazine in a safe and secure location away from children.

Disposal Instructions

- If the magazine is damaged or no longer functional, dispose of it in accordance with local regulations for hazardous materials.
- Do not throw the magazine in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service. Ensure that you have your product information ready for efficient assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is paramount when using firearms and related accessories.
