

DAKA® GRID ORGANIZER FOR PELICAN™ V700 VAULT - DAKA GRID ORGANIZER FOR PELICAN V700 VAULT

Magpul's DAKA GRID Organizer is a fully customizable drop-in organizational solution that secures and protects your important equipment when it's stored or transported in your existing hard case. Specifically designed to fit Pelican™ V700 Vault gun cases, the GRID Organizer is completely reconfigurable to meet your storage needs. Individual Expanded Polypropylene (EPP) Panels and Blocks nest together securely to maximize protection, versatility, and ease-of-use. They can be organized to brace and immobilize rifles, optics, ammunition, accessories, and other gear, and they can be quickly removed and reinstalled for your next loadout. The lightweight GRID system uses compression to immobilize and compartmentalize your gear, firmly holding it in place and providing advanced protection during transport. The result is less movement and better impact resistance for your gear than you'll get from current open cell foam options that can let your gear slide around inside your case during transport. Also, the GRID's EPP make up doesn't absorb contaminants like open cell foam does, providing resistance to liquid and chemical intrusion and mitigating contamination of your gear. Cleaning up dirt, chemicals, and liquids is easy with just a damp cloth. Offering numerous advantages over traditional foam and expensive laser-cut inserts, the GRID provides intuitive, modular organization at your fingertips. It's reconfigurable without tools, so it can be adapted to your loadout in seconds. If you're carrying wider or taller equipment, a center GRID Panel can also be removed to open up space for objects approximately 4.25" inches wide. If you end up needing to cut a Panel to create a unique cavity for wider gear, the EPP cuts smoothly and doesn't lose its strength or ability to protect your important equipment. For unique equipment loading techniques, see Magpul's Getting The Best Fit video and others in the Resources tab. Simple to configure, stronger than foam, and versatile enough to change with every loadout, the DAKA GRID Organizer lets you use every inch of your case to store and securely carry your gear the way you want. Includes GRID base Panels, six triple Blocks, six double Blocks, and replacement base foam. EASILY ADDED TO POPULAR PELICAN™ V700 VAULT CASES EPP Panels and Blocks quickly replace current internal setup GRID system holds your gear securely and protects better than foam sheets Not just for firearms; can be used for all types of gear LIGHTWEIGHT AND EASY TO USE EPP construction is lighter and stronger than traditional foam Endlessly customizable and no tools required Unique gear loadouts set up in seconds BETTER PROTECTION THAN YOUR OLD FOAM GRID is stronger than open cell foam, holds your gear in place, and protects better from impacts Resists absorbing liquids and chemicals and easy to clean with a damp cloth Good temperature stability VERSATILE AND ENDLESSLY CUSTOMIZABLE GRID Block arrangement lets you maximize the use of all of your space Ability to reconfigure the GRID means no cutting or plucking of foam that leaves you with one fixed configuration

Sicherheitshinweise für den DAKA® GRID Organizer für Pelican V700 Vault

Einführung

Herzlichen Glückwunsch zu Ihrem Kauf des DAKA® GRID Organizers von Magpul! Dieses Produkt wurde entwickelt, um Ihnen eine sichere und anpassbare Organisationslösung für Ihre Ausrüstung zu bieten. Um die Sicherheit und den optimalen Gebrauch Ihres Produkts zu gewährleisten, lesen Sie bitte die folgenden Sicherheitshinweise sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Achten Sie darauf, dass der DAKA GRID Organizer nur für die vorgesehenen Zwecke verwendet wird.
- Halten Sie das Produkt außerhalb der Reichweite von Kindern und Haustieren, um Verletzungen zu vermeiden.
- Überprüfen Sie regelmäßig den Zustand des Organizers auf Risse, Abnutzung oder andere Schäden.
- Verwenden Sie das Produkt nicht, wenn Sie feststellen, dass es beschädigt ist.
- Informieren Sie sich über Rückrufaktionen und Sicherheitswarnungen über die Safety GatePlattform der EU.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Stellen Sie sicher, dass alle Teile des GRID Organizers korrekt installiert sind, bevor Sie Ihre Ausrüstung einlegen.
- Vermeiden Sie das Überladen des Organizers, um eine sichere Verwendung zu gewährleisten.
- Verwenden Sie den GRID Organizer nicht für gefährliche oder explosive Materialien.
- Achten Sie darauf, dass keine schweren Gegenstände auf den Organizer fallen, um Verletzungen zu vermeiden.
- Reinigen Sie den Organizer regelmäßig, um Schmutz und Chemikalien zu entfernen, die die Materialien schädigen könnten.

Anweisungen für Installation und Nutzung

• Installation:

- Entfernen Sie alle Teile des DAKA GRID Organizers aus der Verpackung.
- Konfigurieren Sie die EPPPaneele und Blöcke gemäß Ihren Lagerbedürfnissen.
- Stellen Sie sicher, dass alle Teile fest und sicher miteinander verbunden sind.

• Nutzung:

- Platzieren Sie Ihre Ausrüstung sorgfältig in den vorgesehenen Bereichen des Organizers.
- Nutzen Sie die Kompressionstechnologie des GRIDSystems, um Ihre Ausrüstung zu immobilisieren.
- Überprüfen Sie vor dem Transport, ob alle Teile sicher befestigt sind.

• Entfernen und Anpassen:

- Um das GRIDPanel zu entfernen oder anzupassen, ziehen Sie die Teile vorsichtig auseinander.
- Schneiden Sie das EPPPanel nur mit einem geeigneten Werkzeug, wenn eine Anpassung erforderlich ist.
- Stellen Sie sicher, dass alle Anpassungen die Stabilität und den Schutz der Ausrüstung nicht beeinträchtigen.

Entsorgungsanweisungen

- Entsorgen Sie den DAKA GRID Organizer gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achten Sie darauf, dass keine Teile des Organizers in die Umwelt gelangen.
- Informieren Sie sich über Recyclingmöglichkeiten in Ihrer Region, um die Umwelt zu schützen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu Ihrem DAKA GRID Organizer, wenden Sie sich bitte an den Hersteller oder den Händler, bei dem Sie das Produkt erworben haben.

Bitte beachten Sie, dass diese Sicherheitshinweise nicht alle möglichen Gefahren abdecken können. Verwenden Sie Ihr Produkt verantwortungsbewusst und sicher.

DAKA GRID ORGANIZER FOR PELICAN V700 VAULT

Safety Instruction Guide

Introduction

Thank you for choosing the DAKA GRID Organizer for your Pelican V700 Vault. This product is designed to provide a customizable and secure organizational solution for your equipment. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the DAKA GRID Organizer is used only for its intended purpose as described in the product documentation.
- Always check the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the GRID Organizer to ensure that all panels and blocks are securely in place before each use.
- If you notice any wear or damage to the EPP panels or blocks, discontinue use and replace them as necessary.
- Be aware of your surroundings when transporting the organizer to avoid collisions or drops that could lead to injury or damage.

Specific Safety Precautions for Use

- **Loading Equipment:**
 - Ensure that all items placed in the organizer are securely immobilized to prevent movement during transport.
 - Do not overload the GRID Organizer beyond its intended capacity to avoid structural failure.
- **Cleaning:**
 - Clean the EPP panels with a damp cloth only. Do not use harsh chemicals or abrasive materials that could damage the surface.
- **Temperature Conditions:**
 - Avoid exposing the GRID Organizer to extreme temperatures, as this may affect the integrity of the EPP material.
- **Chemical Exposure:**
 - Keep the organizer away from corrosive substances to prevent damage to the EPP material.

Instructions for Installation and Usage

1. Installation:

- Open your Pelican V700 Vault case and remove any existing internal setup.
- Place the GRID base panels into the case, ensuring they fit snugly.
- Arrange the triple and double blocks according to your gear requirements. The blocks should nest securely with the panels.

2. Customizing the Layout:

- To modify the layout, simply remove the blocks and reposition them as needed. No tools are required.
- If necessary, a center GRID Panel can be removed to accommodate wider equipment (up to 4.25 inches).

3. Securing Gear:

- Place your gear into the organizer, ensuring that it is braced and immobilized by the panels and blocks.
- Doublecheck that all items are securely held in place before closing the Pelican case.

4. Removing and Reinstalling:

- To remove the GRID Organizer, gently lift the panels and blocks out of the case.
- Reinstall by following the steps outlined above.

Disposal Instructions

- Dispose of the DAKA GRID Organizer responsibly in accordance with local regulations regarding EPP materials.
- Do not incinerate or dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

Guide de Sécurité du Produit DAKA® GRID ORGANIZER POUR PELICAN V700 VAULT

Introduction

Ce guide fournit des instructions de sécurité essentielles pour l'utilisation de l'organisateur DAKA GRID de Magpul, conçu pour les étuis rigides Pelican V700 Vault. Il est important de lire et de comprendre ces instructions afin d'assurer une utilisation sécurisée et efficace de votre produit.

Directives Générales de Sécurité

- **Utilisation Sécurisée** : Assure-toi que l'organisateur est utilisé uniquement pour les équipements recommandés.
- **Surveillance des Enfants** : Ne laisse pas les enfants utiliser le produit sans surveillance.
- **Inspection Régulière** : Vérifie régulièrement l'état de l'organisateur pour détecter tout dommage ou usure.
- **Éviter les Contaminants** : Ne laisse pas le produit entrer en contact avec des liquides ou des produits chimiques corrosifs.
- **Suivre les Rappels** : Consulte régulièrement la plateforme Safety Gate de l'UE pour les mises à jour sur les rappels.

Précautions de Sécurité Spécifiques à l'Utilisation

- **Manutention** : Manipule l'organisateur avec soin pour éviter les blessures.
- **Chargement du Matériel** : Ne surcharge pas l'organisateur. Suis les instructions de configuration pour assurer une répartition adéquate du poids.
- **Utilisation en Milieu Sombre** : Fais attention lorsque tu utilises l'organisateur dans des environnements à faible luminosité.
- **Éléments Tranchants** : Évite de placer des objets tranchants à proximité des panneaux pour prévenir les blessures.

Instructions pour l'Installation et l'Utilisation

1. **Déballage** : Retire l'organisateur DAKA GRID de son emballage avec précaution.
2. **Configuration Initiale** :
 - Place les panneaux de base GRID dans l'étui Pelican V700 Vault.
 - Utilise les blocs triples et doubles pour créer des compartiments selon tes besoins.
3. **Reconfiguration** :
 - Si nécessaire, retire les panneaux ou blocs pour ajuster l'espace.
 - Les blocs EPP peuvent être facilement coupés si un ajustement particulier est requis.
4. **Chargement du Matériel** :
 - Dispose les fusils, optiques, munitions et accessoires dans les compartiments créés.
 - Assure-toi que tout est bien fixé pour éviter le mouvement pendant le transport.
5. **Nettoyage** :
 - Pour nettoyer, utilise un chiffon humide pour enlever la saleté ou les produits chimiques.
 - Ne pas utiliser de nettoyeurs agressifs qui pourraient endommager le matériau EPP.

Instructions de Mise au Rebut

- **Recyclage** : Vérifie les réglementations locales concernant le recyclage des matériaux EPP.
- **Élimination des Déchets** : Jette les pièces endommagées ou usées conformément aux lois locales sur les déchets.

Informations de Contact pour un Support Supplémentaire

Pour toute question ou préoccupation concernant la sécurité de l'organisateur DAKA GRID, consulte les ressources disponibles sur le site officiel de Magpul ou contacte le point de contact de l'UE pour les questions de sécurité des produits.

En suivant ces instructions, tu peux assurer une utilisation sécurisée et efficace de ton organisateur DAKA GRID pour Pelican V700 Vault. Pour plus d'informations, n'hésite pas à consulter les ressources de Magpul.

Istruzioni di Sicurezza per l'Organizzatore DAKA GRID di Magpul per Pelican V700 Vault

Introduzione

Grazie per aver scelto l'organizzatore DAKA GRID di Magpul per il tuo Pelican V700 Vault. Questo prodotto è progettato per fornire una soluzione organizzativa sicura e personalizzabile per il tuo equipaggiamento. È importante seguire queste istruzioni di sicurezza per garantire un uso corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di leggere attentamente tutte le istruzioni prima dell'uso.
- Verifica che il prodotto non presenti danni visibili prima di utilizzarlo.
- Non utilizzare il prodotto in modi non previsti o per scopi diversi da quelli per cui è stato progettato.
- Tieni il prodotto lontano dalla portata dei bambini, a meno che non vengano supervisionati da un adulto.
- Segnala eventuali prodotti difettosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Rimozione e Installazione:** Assicurati di seguire le istruzioni per la rimozione e l'installazione dei pannelli e dei blocchi EPP. Non forzare i componenti per evitare rotture.
- **Carico:** Non sovraccaricare l'organizzatore. Segui le indicazioni relative al peso e alle dimensioni massime degli oggetti che possono essere inseriti.
- **Pulizia:** Utilizza solo un panno umido per pulire il prodotto. Non utilizzare detergenti aggressivi o abrasivi.
- **Sicurezza durante il Trasporto:** Quando trasporti il tuo Pelican V700 Vault, assicurati che l'organizzatore DAKA GRID sia correttamente installato e che il tuo equipaggiamento sia ben fissato per evitare movimenti indesiderati.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Rimuovi il contenuto del tuo Pelican V700 Vault e pulisci l'interno.
- Verifica che i pannelli e i blocchi dell'organizzatore siano in buone condizioni.

2. Installazione:

- Inserisci i pannelli base GRID nel tuo Pelican V700 Vault.
- Posiziona i blocchi tripli e doppi come desiderato per organizzare il tuo equipaggiamento.
- Assicurati che i blocchi siano ben incastrati e che non ci siano spazi vuoti.

3. Configurazione:

- Riconfigura l'organizzatore DAKA GRID senza strumenti, adattandolo al tuo carico in pochi secondi.
- Se necessario, rimuovi un pannello GRID centrale per creare spazio aggiuntivo.

4. Uso:

- Posiziona il tuo equipaggiamento all'interno dell'organizzatore, assicurandoti che sia ben supportato e immobilizzato.
- Controlla periodicamente che il tuo equipaggiamento sia fissato correttamente durante il trasporto.

Istruzioni per lo Smaltimento

- Il prodotto è realizzato in EPP, un materiale riciclabile. Segui le normative locali per il riciclaggio dei materiali in plastica.
- Non gettare il prodotto nei rifiuti non riciclabili. Contatta il tuo comune per informazioni su come smaltire correttamente i materiali in EPP.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni o domande relative alla sicurezza, ti invitiamo a contattare il tuo rivenditore o consultare il sito web di Magpul per risorse aggiuntive.

Seguendo queste istruzioni, puoi garantire un uso sicuro e efficace dell'organizzatore DAKA GRID di Magpul per il tuo Pelican V700 Vault.

DAKA GRID ORGANIZER FOR PELICAN V700 VAULT

Sikkerhetsinstruksjoner

Introduksjon

Gratulerer med kjøpet av DAKA GRID Organizer for Pelican V700 Vault. Dette produktet er designet for å organisere og beskytte utstyret ditt under lagring og transport. For å sikre trygg og effektiv bruk, vennligst les følgende sikkerhetsinstruksjoner nøye.

Generelle sikkerhetsretningslinjer

- Sørg for at produktet brukes i henhold til produsentens spesifikasjoner for å unngå skader.
- Hold produktet unna barn og sårbare grupper med mindre det er spesifikt designet for dem.
- Kontroller produktet regelmessig for tegn på slitasje eller skade.
- Bruk ikke produktet hvis det er skadet eller mangler deler.
- Følg alle lokale og nasjonale forskrifter angående oppbevaring og transport av utstyr.

Spesifikke sikkerhetstiltak for bruk

- Unngå å overbelaste GRID Organizer med mer utstyr enn det er designet for.
- Sikre at alle paneler og blokker er riktig installert og festet før transport.
- Unngå å bruke skarpe gjenstander nær EPPpanelene for å hindre skade.
- Rengjør produktet regelmessig med en fuktig klut for å opprettholde hygiene og funksjonalitet.
- Oppbevar produktet på et tørt sted for å unngå fuktskader.

Instruksjoner for installasjon og bruk

1. Installering av GRID Organizer:

- Fjern eksisterende skuminnsetser fra Pelican V700 Vault.
- Plasser bunnpanelet på bunnen av kassen.
- Sett inn de individuelle EPPpanelene og blokkene i ønsket konfigurasjon.
- Sørg for at alle paneler og blokker er godt festet for optimal stabilitet.

2. Bruk av GRID Organizer:

- Organiser utstyret ditt ved å plassere det i de tilpassede rommene.
- Bruk kompresjonssystemet for å immobilisere utstyret og hindre bevegelse under transport.
- Hvis nødvendig, fjern eller omkonfigurer paneler for å tilpasse lasten din.

3. Fjerning av paneler:

- For å fjerne paneler, løft dem forsiktig fra festene og oppbevar dem på et trygt sted.
- Hvis du kutter paneler for å lage spesialtilpassede rom, bruk en skarp kniv og vær forsiktig for å unngå skader.

Avfallsinstruksjoner

- Når produktet er utgått, må det kastes i henhold til lokale forskrifter for avfallshåndtering.
- EPPmaterialet kan resirkuleres, så sjekk med lokale resirkuleringsprogrammer for riktig prosedyre.

Kontaktinformasjon for videre støtte

For spørsmål eller bekymringer angående sikkerhet eller bruk av DAKA GRID Organizer, vennligst kontakt produsentens kundeservice. Se emballasje eller produsentens nettsted for mer informasjon.

Vennligst merk: Det er viktig å følge disse sikkerhetsinstruksjonene for å sikre en trygg og effektiv bruk av DAKA GRID Organizer. Sørg for å holde disse instruksjonene tilgjengelig for fremtidig referanse.
