

DAKA® GRID ORGANIZER FOR PLANO®! ALL WEATHER 2"! 52 IN. - MAGPUL DAKA GRID ORGANIZER FOR PLANO ALL WEATHER 2 52"

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

Magpul's DAKA GRID Organizer is a fully customizable drop-in organizational solution that secures and protects your important equipment when it's stored or transported in your existing hard case. Specifically designed to fit Plano™ 52" All Weather 2™ and Rusticator™ gun cases, the GRID Organizer is completely reconfigurable to meet your storage needs. Individual Expanded Polypropylene (EPP) Panels and Blocks nest together securely to maximize protection, versatility, and ease-of-use. They can be organized to brace and immobilize rifles, optics, ammunition, accessories, and other gear, and they can be quickly removed and reinstalled for your next loadout. The lightweight GRID system uses compression to immobilize and compartmentalize your gear, firmly holding it in place and providing advanced protection during transport. The result is less movement and better impact resistance for your gear than you'll get from current open cell foam options that can let your gear slide around inside your case during transport. Also, the GRID's EPP make up doesn't absorb contaminants like open cell foam does, providing resistance to liquid and chemical intrusion and mitigating contamination of your gear. Cleaning up dirt, chemicals, and liquids is easy with just a damp cloth. Offering numerous advantages over traditional foam and expensive laser-cut inserts, the GRID provides intuitive, modular organization at your fingertips. It's reconfigurable without tools, so it can be adapted to your loadout in seconds. If you're carrying wider or taller equipment, a center GRID Panel can also be removed to open up space for objects approximately 4.25" inches wide. If you end up needing to cut a Panel to create a unique cavity for wider gear, the EPP cuts smoothly and doesn't lose its strength or ability to protect your important equipment. For unique equipment loading techniques, see Magpul's Getting The Best Fit video and others in the Resources tab. Simple to configure, stronger than foam, and versatile enough to change with every loadout, the DAKA GRID Organizer lets you use every inch of your case to store and securely carry your gear the way you want. Includes GRID base Panels, eight triple Blocks, eight double Blocks, and replacement base foam. EASILY ADDED TO POPULAR PLANO 52" AW2 AND RUSTRICTOR CASES EPP Panels and Blocks quickly replace current internal setup GRID system holds your gear securely and protects better than foam sheets Not just for firearms; can be used for all types of gear LIGHTWEIGHT AND EASY TO USE EPP construction is lighter and stronger than traditional foam Endlessly customizable and no tools required Unique gear loadouts set up in seconds BETTER PROTECTION THAN YOUR OLD FOAM GRID is stronger than open cell foam, holds your gear in place, and protects better from impacts Resists absorbing liquids and chemicals and easy to clean with a damp cloth Good temperature stability VERSATILE AND ENDLESSLY CUSTOMIZABLE GRID Block arrangement lets you maximize the use of all of your space Ability to reconfigure the GRID means no cutting or plucking of foam that leaves you with one fixed configuration

DAKA GRID ORGANIZER FOR PLANO Safety Instruction Guide

Introduction

Thank you for choosing the DAKA GRID Organizer for your Plano All Weather 52" gun case. This product is designed to provide a safe and efficient way to organize and transport your gear. Please read this safety instruction guide carefully to ensure the safe and effective use of the DAKA GRID Organizer.

General Safety Guidelines

- **Product Safety:** The DAKA GRID Organizer is designed for safe use with nonfood products. Always ensure that it is used as intended to avoid any risks.
- **Enhanced Recalls:** In the unlikely event of a product recall, updated information will be provided through standardized notices.
- **Online Shopping:** If purchased online, the DAKA GRID Organizer is subject to the same safety protections as if purchased in a physical store.
- **Special Consumer Focus:** This product is not intended for children. Ensure that it is used only by adults or under adult supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the EU based contact provided with your product packaging.
- **Rapid Alerts:** Stay informed about product safety updates via the EU Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended weight capacity of the GRID Organizer to prevent damage or injury.
- **Secure Placement:** Ensure that the GRID Organizer is securely placed within your gun case to prevent shifting during transport.
- **Check for Damage:** Before each use, inspect the GRID Organizer for any signs of damage. Do not use if damaged.
- **Keep Away from Children:** This product contains small parts that could pose a choking hazard. Keep out of reach of children.
- **Avoid Sharp Objects:** When loading or unloading gear, be cautious of sharp objects that may damage the EPP panels or blocks.

Instructions for Installation and Usage

1. **Unpack the Product:** Carefully remove the DAKA GRID Organizer from its packaging.
2. **Inspect Components:** Check all components, including GRID base panels, triple blocks, and double blocks, for any damage.
3. **Configure the GRID:**
 - Arrange the EPP panels and blocks according to your storage needs. The modular design allows for various configurations.
 - Use the compression feature to secure your gear in place.
4. **Load Your Gear:**
 - Place your rifles, optics, ammunition, and accessories into the GRID Organizer.
 - Ensure that all items are securely braced and immobilized.
5. **Close the Gun Case:** Once loaded, close the Plano gun case securely to protect your gear during transport.
6. **Cleaning:** To clean the GRID Organizer, use a damp cloth to wipe away dirt, chemicals, or liquids. Do not use harsh chemicals.

Disposal Instructions

- **EPP Panels and Blocks:** Dispose of any damaged or unusable EPP panels and blocks in accordance with local waste disposal regulations.
- **Packaging Materials:** Recycle packaging materials where possible. Follow local recycling guidelines for disposal.
