

# PRO AMBIDEXTROUS SAFETY SELECTOR FOR AR-15 - AERO PRECISION PRO AMBIDEXTROUS SAFETY SELECTOR FOR AR-15 BLACK

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

Introducing the PRO Series Ambidextrous Safety Selector. Forged with Premium Materials and Engineered for a Safe, Reliable, and Precise Shooting experience. This drop-in part is configurable with a reversible selector drum, allowing for either a 45 or 90-degree throw out of the box. Each lever is retained by captured detents, which eliminate the possibility of loosening lever fasteners even during the most demanding firing schedules. Two different lever lengths allow shooters to maintain the benefits of an ambidextrous selector without creating interference for their dominant firing hand during manipulation. This safety selector is compatible with most AR15 and AR10 platform rifles. INCLUDES: Safety Drum - Finish: Black Nitride Safety Lever - Finish: Anodized Black

# PRO AMBIDEXTROUS SAFETY SELECTOR FOR AR15 USER MANUAL

## Introduction

Thank you for choosing the PRO AMBIDEXTROUS SAFETY SELECTOR for your AR15. This product is designed to enhance your shooting experience with safety and precision. Please read this manual carefully to ensure safe installation and usage.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the safety selector is in the "safe" position when not in use.
- Store your firearm and its components securely, away from unauthorized access.
- Regularly inspect the safety selector for wear and ensure it functions correctly.
- Follow all local laws and regulations regarding firearm use and safety.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the safety selector.
- Do not attempt to modify the safety selector beyond the manufacturer's specifications.
- Use only compatible levers with the PRO AMBIDEXTROUS SAFETY SELECTOR to avoid malfunctions.
- Be aware of your surroundings and ensure that you have a clear and safe area for shooting.
- If you experience any malfunctions or unusual behavior from the safety selector, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and the chamber is clear.
2. Remove the existing safety selector by following the manufacturer's guidelines.
3. Insert the PRO AMBIDEXTROUS SAFETY SELECTOR into the designated slot.
4. Choose the desired lever length based on your shooting preference.
5. Secure the safety selector with the captured detents to prevent loosening during use.
6. Test the functionality of the safety selector by moving it through its range of motion before reassembling the firearm.

### Usage

- To engage the safety, move the selector to the "safe" position.
- To disengage the safety, move the selector to the "fire" position.
- For ambidextrous use, switch the selector drum to the desired angle (45 or 90 degrees) as per your preference.

## Disposal Instructions

- Dispose of the safety selector according to local regulations.
- Do not dispose of the safety selector in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the PRO AMBIDEXTROUS SAFETY SELECTOR, please refer to the contact details provided on the packaging or visit the manufacturer's website for support resources.

By following these guidelines, you can ensure a safe and enjoyable shooting experience with your PRO AMBIDEXTROUS SAFETY SELECTOR. Thank you for prioritizing safety and compliance with EU regulations.
