# Safety Instruction Guide for AR15 Combat FSB 5.56x45 NATO Rifle Barrel

## Introduction

Thank you for choosing the AR15 Combat FSB 5.56x45 NATO Rifle Barrel from Sons of Liberty Gun Works. This guide provides essential safety instructions to ensure the safe and effective use of your new rifle barrel. Please read this document carefully before installation and usage to minimize risks and enhance your safety.

## General Safety Guidelines

- Ensure that you are familiar with your firearm and its components before installation.
- Always handle firearms with care, treating every firearm as if it is loaded.
- Store the rifle and its components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearms and ammunition.
- Use only compatible components and ammunition with your AR15 to avoid malfunctions.
- If you are uncertain about any aspect of firearm safety or usage, seek advice from a qualified professional.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when firing your firearm.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the muzzle is pointed in a safe direction at all times.
- Be aware of your target and what lies beyond it before firing.
- Avoid using the firearm in adverse weather conditions which may affect performance.
- Do not modify the barrel or any components without proper knowledge and expertise.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your workspace is clean and organized. Gather all necessary tools and components.
2. **Disassemble the Firearm:** Unload the firearm completely and ensure it is safe to work on.
3. **Remove Existing Barrel:**
  - Use appropriate tools to remove the existing barrel from the upper receiver.
  - Carefully detach the handguard and any other components attached to the barrel.
4. **Install the New Barrel:**
  - Align the new AR15 Combat FSB barrel with the upper receiver.
  - Securely attach the barrel nut, ensuring it is tightened according to manufacturer specifications.
  - Reattach the handguard and any other components that were removed.
5. **Final Checks:**
  - Inspect the installation to ensure everything is secure and properly aligned.
  - Conduct a visual check of the barrel and surrounding components for any issues.

## Usage

1. **Loading the Firearm:** Follow the manufacturer's instructions for loading ammunition into your AR15.
2. **Firing:**
  - Ensure you are in a safe environment to fire your weapon.
  - Maintain proper stance and grip on the firearm.
  - Aim and fire, following all safety precautions outlined above.
3. **PostUsage Care:**
  - Clean the barrel and firearm after each use to maintain performance and longevity.
  - Store the firearm securely when not in use.

## Disposal Instructions

When disposing of the AR15 Combat FSB barrel or any firearm components, follow these guidelines:

- Do not dispose of firearms or components in regular trash.
- Contact local authorities or licensed firearms dealers for proper disposal methods.
- Ensure that all components are rendered inoperable before disposal.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or installation of the AR15 Combat FSB 5.56x45 NATO Rifle Barrel, please reach out to the appropriate support channels as per your local regulations.

Thank you for your attention to these important safety guidelines. Your safety and the safety of others depend on your responsible handling of firearms.
