

M16A1 RETRO BUTTSTOCK & BUFFER TUBE ASSEMBLY FOR AR-15 - BROWNELLS BUNDLES BRN-16A1 BUTTSTOCK & BUFFER TUBE ASSEMBLY, BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

COMPLETE M16/AR-15 RETRO BUTTSTOCK ASSEMBLY Recreate an American Classic with the Brownells M16A1 Buttstock Assembly, built to accurately replicate the original Stock issued to thousands of American servicemen & women. This Buttstock Assembly is modeled directly off of original stocks, which are becoming increasingly difficult to find, or in decent condition. Combine the M16A1 Buttstock Assembly with the matching Handguard Set & Pistol Grip from Brownells, and you have a new condition furniture set for your AR-15, M16, M16A1 or other early model rifle. The new production buttstock is in the same styling as a "Type D" stock, with a rear sling swivel and no trap door compartment. This model fits the widest variety of early M16 & AR-15 models. Includes: Buttstock assembly with sling swivel A1 length buttstock screw Rifle length buffer tube / receiver extension Rifle length recoil buffer Rifle length recoil spring Instructions Available in several different colors including: Black - Proper for Model 602, XM16E1, M16A1 & later generation rifles introduced after 1963 Green - Proper for early Model 601 rifles, the first AR-15 adopted by the US Air Force in 1959 Brown - Similar to the earliest AR-15 Prototype rifle furniture used in the late 1950s Retro furniture from Brownells is not an exact copy of original components or their construction. Some areas have been changed due to manufacturing methods or to avoid counterfeit concerns.

Safety Instruction Guide for M16A1 Retro Buttstock & Buffer Tube Assembly

Introduction

Thank you for purchasing the M16A1 Retro Buttstock & Buffer Tube Assembly for AR15 from Brownells. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your product. Please read this guide carefully before using the assembly.

General Safety Guidelines

- Ensure that all components are properly inspected before use.
- Always follow manufacturer instructions during installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Store the assembly in a safe place when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the assembly only for its intended purpose as specified by the manufacturer.
- Do not modify or alter the assembly in any way that may compromise safety.
- Ensure that the assembly is compatible with your firearm before installation.
- Always wear appropriate safety gear when handling firearms.
- Regularly inspect the assembly for wear and tear; replace any damaged parts immediately.
- Avoid exposure to extreme temperatures or harsh environments that could affect the assembly's integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver and any other specified tools.
- Ensure that the firearm is unloaded and in a safe condition before beginning installation.

2. Installation Steps:

- Remove the existing buttstock from your AR15, making sure to follow the manufacturer's guidelines.
- Attach the M16A1 Buttstock Assembly to the buffer tube, ensuring it is securely fastened.
- Install the rifle length buffer tube/receiver extension according to the provided instructions.
- Attach the rifle length recoil buffer and recoil spring as specified.
- Ensure that the buttstock assembly is aligned correctly and that the sling swivel is functional.

3. Usage:

- After installation, conduct a thorough check to ensure everything is secure.
- Use the assembly in accordance with the firearm's operational guidelines.
- Regularly maintain and clean the assembly to ensure optimal performance.

Disposal Instructions

- Dispose of the assembly in accordance with local regulations regarding firearm components.
- Do not dispose of the assembly in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the M16A1 Retro Buttstock & Buffer Tube Assembly, please refer to the contact information provided by the manufacturer or your place of purchase.

This safety instruction guide aims to ensure your safety and satisfaction with the product. Always prioritize safety and adhere to the guidelines provided.
