

M16A1 RETRO BUTTSTOCK & BUFFER TUBE ASSEMBLY FOR AR-15 - BROWNELLS BUNDLES BRN-16A1 BUTTSTOCK & BUFFER TUBE ASSEMBLY, BROWN

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

COMPLETE M16/AR-15 RETRO BUTTSTOCK ASSEMBLY Recreate an American Classic with the Brownells M16A1 Buttstock Assembly, built to accurately replicate the original Stock issued to thousands of American servicemen & women. This Buttstock Assembly is modeled directly off of original stocks, which are becoming increasingly difficult to find, or in decent condition. Combine the M16A1 Buttstock Assembly with the matching Handguard Set & Pistol Grip from Brownells, and you have a new condition furniture set for your AR-15, M16, M16A1 or other early model rifle. The new production buttstock is in the same styling as a "Type D" stock, with a rear sling swivel and no trap door compartment. This model fits the widest variety of early M16 & AR-15 models. Includes: Buttstock assembly with sling swivel A1 length buttstock screw Rifle length buffer tube / receiver extension Rifle length recoil buffer Rifle length recoil spring Instructions Available in several different colors including: Black - Proper for Model 602, XM16E1, M16A1 & later generation rifles introduced after 1963 Green - Proper for early Model 601 rifles, the first AR-15 adopted by the US Air Force in 1959 Brown - Similar to the earliest AR-15 Prototype rifle furniture used in the late 1950s Retro furniture from Brownells is not an exact copy of original components or their construction. Some areas have been changed due to manufacturing methods or to avoid counterfeit concerns.

Safety Instruction Guide for M16A1 Retro Buttstock & Buffer Tube Assembly

Introduction

Thank you for choosing the M16A1 Retro Buttstock & Buffer Tube Assembly. This product is designed to replicate the original stock issued to American servicemen and women. The following safety instructions are provided to ensure safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only as intended.
- Always inspect the assembly before use for any signs of damage or wear.
- Keep the assembly out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed on product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction or injury.
 - Using incompatible components may compromise safety.
- **Avoiding Hazards:**
 - Always follow the installation instructions carefully.
 - Use only compatible parts as specified by the manufacturer.
 - Regularly check for loose screws or components.
 - Do not exceed the recommended weight limits for the assembly.

Instructions for Installation and Usage

- **Installation:**
 1. Gather all necessary tools and components.
 2. Carefully read the installation instructions included with the product.
 3. Ensure the rifle is unloaded and safe before beginning installation.
 4. Remove the existing buttstock and buffer tube if applicable.
 5. Attach the new buffer tube to the receiver extension.
 6. Secure the buttstock assembly to the buffer tube using the provided screw.
 7. Ensure the sling swivel is properly attached.
 8. Doublecheck all connections for tightness and security.
- **Usage:**
 - Use the assembly only with compatible models (AR15, M16, M16A1).
 - Always handle the rifle with care and follow all firearm safety guidelines.
 - Regularly clean and maintain the assembly to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the assembly in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact your local distributor for support.

By following these guidelines, you can ensure safe and effective use of the M16A1 Retro Buttstock & Buffer Tube Assembly. Thank you for your attention to safety!
