TWO POSITION BUTTSTOCK KIT FOR AR15 SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Two Position Buttstock Kit for your AR15. This guide provides essential safety instructions, installation guidelines, and usage recommendations to ensure that you can use your product safely and effectively. Please read this document carefully before using the product.

General Safety Guidelines

To ensure the safe use of the Two Position Buttstock Kit, please adhere to the following safety guidelines:

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and the location of others when handling your firearm.
- Store the Two Position Buttstock Kit and all firearm components securely and out of reach of children and unauthorized users.
- Regularly inspect the buttstock and all components for wear, damage, or malfunction before use.
- Do not modify the buttstock kit or any of its components in ways not specified in the manufacturer's instructions.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

When using the Two Position Buttstock Kit, please observe the following precautions:

- Ensure that the buttstock is fully secured to the buffer tube before use to prevent accidental detachment.
- Always check the compatibility of the buttstock with your specific AR15 model.
- Use only the recommended buffer tube and recoil spring to ensure proper functioning.
- Avoid using the buttstock in adverse weather conditions that could affect grip or stability.
- If you are unfamiliar with the operation of firearms, seek instruction from a qualified professional before use.

Instructions for Installation and Usage

Follow these steps for the proper installation and use of the Two Position Buttstock Kit:

Installation Steps

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a wrench and screwdriver.
2. **Remove the Existing Buttstock:**
 - Ensure your firearm is unloaded.
 - Use a wrench to detach the existing buttstock from the buffer tube.
3. **Install the Buffer Tube:**
 - Attach the Brownells 2Position MilSpec Buffer Tube (SKU: 080001363) securely to the lower receiver of your AR15.
4. **Attach the Buttstock:**
 - Slide the B5 Collapsible Buttstock (SKU: 078000498) onto the buffer tube.
 - Secure the buttstock in place according to the manufacturer's instructions.
5. **Install the Receiver End Plate:**
 - Attach the Brownells CAR15 Receiver End Plate (SKU: 080000290) to the lower receiver.
6. **Install the Castle Nut:**

- Use the LuthAR Carbine Castle Nut (SKU: 100028004) to secure the buffer tube and buttstock assembly.

7. Install the Recoil Spring:

- Install the Rock River Arms Carbine Length Recoil Spring (SKU: 739000005) as per your firearm's specifications.

8. Final Inspection:

- Doublecheck all components to ensure they are securely installed and functioning properly.

Usage Instructions

- Adjust the buttstock to your preferred length for comfort and control.
- Practice handling and aiming with the firearm in a safe environment to become familiar with the new setup.
- Regularly check for any signs of wear or damage during use.

Disposal Instructions

When it is time to dispose of the Two Position Buttstock Kit or its components:

- Follow local regulations for the disposal of firearm accessories.
- Dispose of nonmetal components in accordance with local waste management guidelines.
- Recycle metal parts where applicable.

Contact Information for Further Support

For any inquiries or additional support regarding the Two Position Buttstock Kit, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can enjoy the enhanced performance and comfort of your Two Position Buttstock Kit while ensuring your safety and the safety of others. Thank you for your attention to these important guidelines.
