# Safety Instruction Guide for the Beretta 1301 Tactical Mod. 2 Shotgun

## Introduction

Thank you for choosing the Beretta 1301 Tactical Mod. 2 Shotgun. This safety instruction guide is designed to help you understand the safe use, handling, and maintenance of your shotgun in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using your firearm.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Never point the firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe backstop is in place.
- Store the shotgun in a secure location, out of reach of children and unauthorized users.
- Use only the recommended ammunition for your shotgun.
- Regularly inspect your shotgun for any signs of damage or wear.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of accidental discharge if the firearm is mishandled.
- Risk of injury from improper use or maintenance.
- Risk of damage to the firearm if incorrect ammunition is used.

- **Instructions for Avoiding Hazards:**

- Always ensure the shotgun is pointed in a safe direction when loading or unloading.
- Only load the shotgun when you are ready to shoot.
- Do not use the shotgun if you are under the influence of drugs or alcohol.
- Wear appropriate eye and ear protection when shooting.

- **Age Specific Warnings:**

- This shotgun is intended for use by individuals aged 18 and older.
- Ensure that younger users are supervised by a qualified adult at all times.

## Instructions for Installation and Usage

- **Installation:**

- Ensure the shotgun is unloaded before any installation or maintenance.
- Follow the manufacturer's instructions for attaching any accessories to the MLoc sections.

- **Usage:**

- To load the shotgun, follow these steps:
  1. Open the action and visually inspect the chamber to ensure it is clear.
  2. Insert the appropriate ammunition into the magazine tube.
  3. Close the action and ensure the shotgun is ready for use.
- To fire the shotgun:

1. Aim at your target.
  2. Ensure your finger is off the trigger until you are ready to fire.
  3. Squeeze the trigger gently to fire.
- To unload the shotgun:
    1. Point the shotgun in a safe direction.
    2. Open the action and remove any remaining cartridges from the chamber and magazine.

## **Disposal Instructions**

- Dispose of the shotgun responsibly and in accordance with local laws and regulations.
- If the shotgun is no longer in use, consider contacting a local law enforcement agency or licensed firearms dealer for safe disposal options.
- Dispose of any used ammunition casings in accordance with local waste disposal regulations.
