

ZERO M-SERIES SLEEVE & MANDREL KIT - ZERO M-SERIES 6MM DASHER SLEEVE & MANDREL KIT

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instructions

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT. This product is designed to enhance your reloading experience. To ensure safe and effective use, please read this safety instruction guide thoroughly before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment.
- Always handle reloading equipment with care to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only as intended and according to these instructions.
- Regularly inspect the product for any signs of wear or damage before use.
- If you suspect any malfunction or damage, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- **Hazard Identification:** The ZERO MSERIES SLEEVE & MANDREL KIT involves the use of sharp tools and small parts, which may pose a choking hazard. Improper handling or use of the product can lead to injury.
- **Avoiding Hazards:** Always wear appropriate safety gear, such as safety glasses and gloves, when using this product. Ensure a clean and organized workspace to minimize the risk of accidents. Do not attempt to modify the product in any way, as this may compromise safety and functionality. Follow all manufacturer guidelines for the specific caliber you are using.

Instructions for Installation and Usage

1. **Installation:** Ensure that you have the correct caliber sizing sleeve for your MSeries die. Carefully remove the existing sleeve from the die, if applicable. Insert the new sizing sleeve into the die until it is securely in place. Attach the mandrel to the die as per the manufacturer's instructions. Ensure that all components are fitted snugly and securely.
2. **Usage:** Before starting, ensure that your workspace is clean and free of distractions. Follow the reloading process as outlined in your die's instructions, paying close attention to headspace adjustments. Regularly check the neck tension and make adjustments as necessary. After use, clean the components to maintain their functionality and longevity.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product becomes damaged or unusable, dispose of it responsibly. Check local guidelines for hazardous waste disposal, if applicable.

Contact Information for Further Support

For any safety inquiries or further support regarding the ZERO MSERIES SLEEVE & MANDREL KIT, please refer to the contact information provided by the retailer or manufacturer. Ensure that you have the product details at hand for any inquiries.

By following these safety instructions, you can ensure a safe and effective reloading experience with the ZERO MSERIES SLEEVE & MANDREL KIT. Thank you for your attention to safety.
