

ZERO M-SERIES SLEEVE & MANDREL KIT - AREA 419 ZERO M-SERIES 6MM BR SLEEVE & MANDREL KIT

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instruction Guide

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT by Area 419. This product is designed to enhance your reloading experience. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the ZERO MSERIES SLEEVE & MANDREL KIT.
- Ensure that your workspace is clean and organized to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible MSERIES dies. This kit is designed specifically for MSERIES dies and cannot be used with other products.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Be cautious when adjusting the micrometer for headspace. Ensure that adjustments are made slowly and carefully to avoid accidents.
- Do not exceed the recommended neck tension. The mandrel provides approximately .002" of neck tension; excessive tension may lead to unsafe conditions.
- Ensure that all components are securely attached before use to prevent malfunctions.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components, including your MSERIES die, sizing sleeve, mandrel, and decapping pin.
- Ensure your workspace is free from distractions and hazards.

2. Installation:

- Remove the existing sizing sleeve from your MSERIES die if applicable.
- Insert the chosen caliber sizing sleeve into the die, ensuring it is seated properly.
- Attach the mandrel to the sizing sleeve, ensuring it is securely fastened.
- Install the extra decapping pin in the designated area of the die.

3. Usage:

- Adjust the micrometer for headspace as needed. Make small adjustments and check frequently to ensure proper fit.
- Perform your reloading process as per the standard operating procedures for your MSERIES die.
- After use, disassemble the components and clean them according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product is no longer usable, dispose of it responsibly. Check with local authorities for ewaste disposal options.
- Do not throw the product in regular household waste if it contains components that can be recycled.

Contact Information for Further Support

For further inquiries regarding safety, usage, or support for the ZERO MSERIES SLEEVE & MANDREL KIT, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you will ensure a safer and more effective reloading experience with your ZERO MSERIES SLEEVE & MANDREL KIT. Thank you for your attention to safety.
