

ZERO M-SERIES SLEEVE & MANDREL KIT - ZERO M-SERIES 6MM GT SLEEVE & MANDREL KIT

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

Attributes

- Name: ZERO M-SERIES 6MM GT SLEEVE & MANDREL KIT
- Manufacturer: AREA 419
- Product no.: 430112732
- Mfr. No.: 419-ZERODIESM-6GT

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instruction Guide

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully to avoid potential hazards and to enhance your reloading experience.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading components.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any visible damage or wear before use. Do not use if damaged.
- Store the kit in a cool, dry place away from direct sunlight and moisture.
- Follow all local laws and regulations regarding reloading and ammunition components.

Specific Safety Precautions for Use

- Only use the ZERO MSERIES SLEEVE & MANDREL KIT with compatible MSeries dies.
- Do not attempt to modify or alter the kit in any way.
- Ensure that the sizing sleeve is securely fitted before operation.
- Be cautious when handling the mandrel and decapping pin, as they may have sharp edges.
- Avoid overtightening components to prevent damage to the sleeves or mandrels.
- Always doublecheck the calibration of your reloading equipment before use to ensure accuracy.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components before starting.
- Ensure your reloading area is clean and organized.

2. Installation of Sizing Sleeve

- Remove the existing sleeve from your MSeries die if applicable.
- Select the appropriate sizing sleeve for your caliber (6mm GT).
- Insert the new sizing sleeve into the die body until it is fully seated.

3. Installation of Mandrel

- Insert the mandrel into the sizing sleeve.
- Ensure that it is properly aligned and securely fitted.

4. Decapping Pin Installation

- Locate the decapping pin and insert it into the designated slot on the mandrel.
- Make sure it is firmly in place to avoid dislodging during use.

5. Reloading Process

- Follow standard reloading procedures as per your reloading manual.

- Adjust the micrometer for headspace according to your specifications.

6. PostUse Care

- After use, clean the sizing sleeve and mandrel to remove any residue or dirt.
- Store the kit components in their designated storage area.

Disposal Instructions

- Dispose of any damaged components in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling materials when possible.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please consult the product packaging or visit the manufacturer's website for additional support resources.

By following these safety instructions, you can ensure a safe and effective experience with your ZERO MSERIES SLEEVE & MANDREL KIT. Thank you for your attention to these important guidelines.
