

ZERO M-SERIES SLEEVE & MANDREL KIT - AREA 419 ZERO M-SERIES 6MM GT SLEEVE & MANDREL KIT

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

Attributes

- Name: [AREA 419 ZERO M-SERIES 6MM GT SLEEVE & MANDREL KIT](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430112732

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instruction Guide

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT by Area 419. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read and follow all instructions carefully to avoid potential hazards.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in reloading applications. Ensure you understand the operation before using it.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can find updates through official channels.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations similar to those of physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals to prevent misuse.
- **EU Contact Point:** For any safety inquiries, please refer to your local EU contact point.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on safety and recalls.

Specific Safety Precautions for Use

- **Read Instructions:** Always read the user manual before using the product.
- **Wear Protective Gear:** Use appropriate safety gear, including eye protection and gloves, while handling reloading equipment.
- **Check for Damage:** Inspect the sleeves and mandrel for any signs of damage before each use. Do not use damaged parts.
- **Use in Proper Environment:** Ensure you are working in a clean, dry, and wellventilated area.
- **Avoid Overloading:** Do not exceed the recommended specifications for the product to prevent malfunction or injury.
- **Keep Work Area Organized:** Maintain a tidy workspace to avoid accidents and ensure easy access to tools and materials.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that your MSeries die is securely mounted in your reloading press.
2. Carefully remove the existing sleeve from the die by unscrewing it.
3. Select the appropriate sizing sleeve for your caliber (6mm GT).
4. Insert the new sizing sleeve into the die and secure it tightly.
5. Attach the mandrel by following the same procedure as above, ensuring it is properly seated.

- **Usage:**

1. Prepare your cases for reloading by cleaning them thoroughly.
2. Set the desired headspace using the micrometer adjustability feature.
3. Insert the case into the die, ensuring it is properly aligned.
4. Operate the press to size the case, applying steady pressure.
5. After sizing, remove the case and check for proper fit before proceeding with further reloading steps.

Disposal Instructions

- **Dispose of Responsibly:** When the product reaches the end of its life, dispose of it in accordance with local regulations.
- **Recycling:** If possible, recycle any metal components. Check with local recycling centers for guidelines.

Contact Information for Further Support

For any questions or concerns regarding the ZERO MSERIES SLEEVE & MANDREL KIT, please refer to your local EU contact point for assistance.

Thank you for your attention to these safety instructions. Enjoy using your ZERO MSERIES SLEEVE & MANDREL KIT safely and effectively!
