

ZERO M-SERIES SLEEVE & MANDREL KIT - AREA 419 ZERO M-SERIES 6MM CREEMOOR SLEEVE & MANDREL KIT

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

Attributes

- Name: [AREA 419 ZERO M-SERIES 6MM CREEMOOR SLEEVE & MANDREL KIT](#)
- Manufacturer: [AREA 419](#)

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instructions

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT. This product is designed to enhance your reloading experience with precision and modularity. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions carefully.

General Safety Guidelines

- Ensure safe usage of the ZERO MSERIES SLEEVE & MANDREL KIT by following these guidelines:
 - Always wear appropriate safety gear, including eye protection and gloves, when using reloading equipment.
 - Keep the workspace clean and organized to prevent accidents.
 - Store the kit in a dry and secure location, away from children and pets.
 - Regularly inspect the components for wear and damage before use.
 - Only use the kit with compatible MSERIES dies. Using it with incompatible dies may lead to unsafe conditions.

Specific Safety Precautions for Use

- To avoid potential hazards, please adhere to the following precautions:
 - Do not exceed the recommended specifications for your reloading setup.
 - Never attempt to modify the components of the kit.
 - Ensure all components are properly assembled before use.
 - If you encounter any unusual behavior during operation, stop using the product immediately and inspect it for issues.
 - Be aware of the risks associated with reloading ammunition, including the potential for explosive reactions.

Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the ZERO MSERIES SLEEVE & MANDREL KIT:
 1. **Unpack the Kit:**
 - Carefully remove the kit from its packaging.
 - Verify that all components listed in the product description are included.
 2. **Install the Sizing Sleeve:**
 - Select the appropriate sizing sleeve for your caliber (6mm Creedmoor).
 - Insert the sleeve into the MSERIES die until it is securely in place.
 3. **Attach the Mandrel:**
 - Insert the mandrel into the sizing sleeve.
 - Ensure it is seated correctly to maintain neck tension.
 4. **Decapping Pin Installation:**
 - If necessary, replace the decapping pin with the extra pin provided in the kit.
 - Follow the manufacturer's instructions for the die to ensure correct installation.
 5. **Reloading Process:**
 - Follow your standard reloading procedures, ensuring to monitor the setup for any irregularities.
 - Adjust headspace using the micrometer feature as needed.
 6. **PostUse Inspection:**
 - After reloading, disassemble the kit and inspect all components for wear or damage.

- Clean the components as per the manufacturer's recommendations.

Disposal Instructions

- When disposing of the ZERO MSERIES SLEEVE & MANDREL KIT or any of its components:
 - Follow local regulations regarding the disposal of metal and plastic materials.
 - Do not dispose of the kit in general waste if it contains any hazardous materials.
 - Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the ZERO MSERIES SLEEVE & MANDREL KIT, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By adhering to these safety instructions, you can ensure a safe and efficient experience with the ZERO MSERIES SLEEVE & MANDREL KIT. Always prioritize safety and consult the product manual for additional information. Thank you for your commitment to safe reloading practices.
