

ZERO M-SERIES SLEEVE & MANDREL KIT - AREA 419 ZERO M-SERIES 6.5X47MM SLEEVE & MANDREL KIT

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

Attributes

- Name: [AREA 419 ZERO M-SERIES 6.5X47MM SLEEVE & MANDREL KIT](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430112736

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instructions

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT. This product is designed for serious reloaders looking to enhance their reloading experience. To ensure safe and effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that you are familiar with the operation of your reloading press and dies before use.
- Store all reloading components, including this kit, in a safe and secure location, out of reach of children.
- Regularly check for any signs of wear or damage to your equipment before use.
- Follow all manufacturer guidelines and recommendations for your reloading setup.

Specific Safety Precautions for Use

- **Compatibility:** This kit contains replacement sizing inserts specifically for MSeries dies. Do not attempt to use this kit with any other die models.
- **Neck Tension:** The mandrel included in this kit provides approximately .002" of neck tension. Ensure that you understand how this tension affects your reloading process.
- **Decapping Pin:** The extra decapping pin is designed for use with the MSeries dies. Ensure proper installation to avoid accidents.
- **Modularity:** Familiarize yourself with the modularity of this product. Improper assembly or use of incompatible components can lead to malfunction or injury.
- **Safe Environment:** Always work in a well-ventilated area and wear appropriate safety gear, including eye protection, when reloading.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your reloading press is clean and free of debris.
- Gather all necessary components, including your MSeries die, sizing sleeve, mandrel, and decapping pin.

2. Installation:

- Remove the existing sizing sleeve from your MSeries die.
- Insert the chosen caliber sizing sleeve from this kit into the die.
- Securely install the mandrel into the die, ensuring it is properly seated.
- Attach the decapping pin as per the manufacturer's instructions.

3. Usage:

- Follow standard reloading procedures, ensuring that you are using the correct settings for your specific caliber and load.
- Monitor the operation of your reloading press closely during use.
- If you notice any unusual sounds or resistance, stop immediately and inspect the equipment.

4. PostUse:

- After reloading, clean all components to prevent residue buildup.
- Store the sleeve and mandrel safely for future use.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of any reloading components in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any questions regarding the use of the ZERO MSERIES SLEEVE & MANDREL KIT, please refer to the manufacturer's website or contact their customer support. Ensure you have your product details ready for efficient assistance.

Please follow these instructions to ensure safe and effective use of your ZERO MSERIES SLEEVE & MANDREL KIT. Your safety is our priority.
