

ZERO M-SERIES SLEEVE & MANDREL KIT - ZERO M-SERIES 6.5MM PRC SLEEVE & MANDREL KIT

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instruction Guide

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT. This product is designed to enhance your reloading experience. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of reloading equipment before using this product.
- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading tools.
- Store the product in a cool, dry place, out of reach of children and pets.
- Regularly inspect the kit for any signs of damage or wear before use. Do not use damaged components.
- Be aware of the specific caliber you are working with and ensure compatibility with the ZERO MSERIES dies.

Specific Safety Precautions for Use

- Do not attempt to use the ZERO MSERIES SLEEVE & MANDREL KIT without first owning an MSERIES DIE. This kit is designed as a replacement and cannot be used independently.
- Handle all components with care to avoid injury.
- Ensure that the area you are working in is wellventilated and free of flammable materials.
- Keep your workspace organized to prevent accidents and ensure efficient workflow.
- Avoid distractions while using the kit to maintain focus on the task at hand.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the ZERO MSERIES SLEEVE & MANDREL KIT and your existing MSERIES DIE.
- Ensure that your workspace is clean and organized.

2. Installation:

- Remove the existing sleeve from your MSERIES DIE by following the manufacturer's instructions.
- Carefully insert the new sizing sleeve from the ZERO MSERIES SLEEVE & MANDREL KIT into the die.
- Ensure that the sleeve is seated properly and securely.

3. Using the Mandrel:

- Attach the mandrel to the die, ensuring it is aligned correctly.
- The mandrel will provide approximately .002" of neck tension during use.

4. Decapping:

- Use the included extra decapping pin to replace any worn or damaged pins in your die.
- Follow the manufacturer's instructions for decapping cases safely.

5. Final Checks:

- Doublecheck all connections and ensure that everything is secure before beginning the reloading process.
- Make sure to follow all recommended practices for reloading ammunition.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options for metal and plastic parts where available.

Contact Information for Further Support

For any questions or concerns regarding the ZERO MSERIES SLEEVE & MANDREL KIT, please consult your retailer or the manufacturer's website for additional support.

By following these safety instructions, you can ensure a safe and productive reloading experience with your ZERO MSERIES SLEEVE & MANDREL KIT. Thank you for your attention to these important safety guidelines.
