

ZERO M-SERIES SLEEVE & MANDREL KIT - AREA 419 ZERO M-SERIES 6.5MM PRC SLEEVE & MANDREL KIT

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

Attributes

- Name: [AREA 419 ZERO M-SERIES 6.5MM PRC SLEEVE & MANDREL KIT](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430112737

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instruction Guide

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT by Area 419. This guide provides essential safety information to ensure the safe and effective use of this product. Please read this guide carefully before using the kit.

General Safety Guidelines

- Ensure safe use of nonfood products, including those purchased online.
- Be aware of risks not covered by other EU laws.
- Follow standardized recall notices and procedures if a product is deemed dangerous.
- Online purchases are subject to the same safety protections as physical store purchases.
- Extra safeguards apply to vulnerable groups, including children.
- For safety inquiries, contact the designated EU contact point.
- Stay informed about unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the kit.
- Keep the kit out of reach of children and pets to prevent accidental injury.
- Inspect all components for damage before use. Do not use if any parts are damaged or missing.
- Ensure that the workspace is clean and free of obstructions to prevent accidents.
- Handle all tools and components with care to avoid injury.
- Follow all manufacturer instructions for the use of the kit to ensure safety and effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components before beginning installation.
- Ensure that you are in a wellventilated area.

2. Installation:

- Select the desired caliber sleeve and mandrel from the kit.
- Carefully insert the sizing sleeve into the die, ensuring it is properly aligned.
- Attach the mandrel securely to the sleeve, checking for a snug fit.
- Ensure that the decapping pin is correctly positioned before use.

3. Usage:

- Adjust the micrometer for headspace according to your specific requirements.
- Follow the reloading process according to the instructions provided with your reloading equipment.
- Monitor the neck tension during the process to ensure optimal performance.

4. PostUsage:

- After use, clean all components to remove any debris or residue.
- Store the kit in a cool, dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the designated EU contact point associated with this product. Ensure you have the product details on hand for efficient support.

Thank you for your attention to safety while using the ZERO MSERIES SLEEVE & MANDREL KIT. Your safety is our priority.
